ATTEMPT ASSASSINATION OF SENATOR ROBERT F. KENNEDY ON WEDNESDAY, JUNE 5, 1968, 12:16 a.m. in the Embassy Room of the Ambassador Hotel, Los Angeles, California

The following information pertains to the suspected attempt murderer of Senator Kennedy:

NAME: SIRHAN BISHARA SIRHAN

696 E. Howard, Pasadena, Calif.

Described as male, caucasian, dob 3/19/44 in Jersusalem, Jordon; 5-2", 115#,

On 12/16/65, the subject made an application to the California State Horse Racing Board for exercise boy, and it is understood that he has worked at the Santa Anita Race Track.

Info from our file:

On 12/4/63, a meeting of the CITIZENS COMMITTEE TO PRESERVE AMERICAN FREEDOMS was held at Baces Hall, 1528 N. Vermont Ave., L.A. The CCPAF is a cited Communist-front organization. License numbers of persons attending the meeting were taken and one of those license numbers was California License JYT-419, issued to a 1961 Volkswagen Sedan, registered owner ADEL B. SIRHAN, 696 E. Howard, Pasadena.

On 1/16/66, the W.E.B.DuBois Clubs of Los Angeles, again a cited Communist-front organization, held a meeting open to the public at Baces Hall, 1528 N. Vermont Ave., L.A. License numbers were taken of persons entering the meeting and one of those license numbers was California license JYT-419, issued to a 1961 VW sedan, registered to ADEL B. SIRHAN, 696 E. Howard, Pasadena.

It has been determined from Pasadena P.D. that ADEL B. SIRHAN of 696 E. Howard, Pasadena, currently in custody of Pasadena P.D., is the older brother of suspect, SIRHAN BISHARA SIRHAN. It is believed that the 1961 VW, California license JYT-419, referred to above, as having attended meetings of left-wing organizations, was driven by someone other than ADEL B. SIRHAN because Lt. Wright of Pasadena P.D. Intelligence indicates that ADEL is "too square" to have attended Communistic meetings. The identity of the occupants of the VW cannot be established; however, it is known that they attended these meetings, and it is presumed that SIRHAN BISHARA SIRHAN was driving this vehicle.

Facts of complaint

C related he wanted to furnish some observations regarding the above case. C said he feels its a conspiracy, due to the fact the .22 caliber bullets had been split on the ends to enable them to shatter upon impact.

Further, he felt the video tapes should be reviewed extensively. He said he saw a "dark skinned man" dressed in a white shirt-jacket type coat, who was smirking, as they took USW worker, SECHRADE out of the building. He feels there might be a connection there.

TO : SAC

DATE: 6/6/68

FROM : SA J.R.SULLIVAN

SUBJECT: KENSALT

At about 10:15 AM on 6/5/68 Detective Lieutenant GERALD WRIGHT, Pasadena Police Department, advised me that the brother of the man who shot HOBERT F. KENNEDY was being interviewed in the Pasadena Police Department by Los Angeles Police Department detectives. He identified the subject to me as SIRHAN SIRHAN and his brother as ADEL SIRHAN. He immediately furnished this information to SA LEO LA RUE who requested me to immediately obtain background data on the subject and his family. Further, he instructed that I stay with ADEL SIRHAN, accompany him wherever he was taken by the Los Angeles Police Department and immediately call the Los Angeles Office with any pertinent information obtained.

Det. Lt. GERALD WRIGHT introduced me to Detective Sgt. WILLIAM BRANDT, Rampart Division, Los Angeles Police Department and I informed BRANDT of my interest. BRANDT stated that he had already informed ADEL SIRHAN of his rights, that they were nearly through interviewing him and that they planned to take him to the Rampart Division, Los Angeles Police Department. He then invited me into the interview room.

I introduced myself to ADEL SIRHAN, advised him of my official capacity and informed him that I was interested in obtaining some information concerning the subject and his family. I did not advise him of his rights - I was not interviewing him regarding the case but merely for general background information.

As soon as ADEL SIRHAN furnished the information he could make available from his recollection I immediately telephoned this information in to SA LA RUE. Thereafter I reentered the interview room, being absent for not more than five minutes and was informed by BRANDT that arrangements had been made to go the SIRHAN residence before going to the Rampart Division.

I accompanied BRANDT, his partner, Detective JIM EVANS, Central Homicide, Los Angeles Police Department and ADEL SIRHAN in the LAPD car. Upon arrival at the SIRHAN residence, 696 East Howard Street, Pasadena, the entire block was observed to be crowded with vehicles, perhaps twenty or more reporters were on the front lawn, neighbors and many curious people were gathered around, television cameras were being used in interviewing anybody who wanted to be interviewed. I observed unidentified newmen examining trash in the trash cans. SIRHAN and the two detectives immediately entered the residence of SIRHAN and I went around the back with other LAPD detectives to see if anything had been taken by newsmen from the trash cans. Whether anything was taken prior to my arrival there I do not know but the LAPD detectives quickly sorted out the trash. While they were thus engaged I was able to obtain entrance to the residence through the rear door.

TEL SENT 6-7-68

2015 RELEASE UNDER E.O. 14176

Detective BRANDT informed me that a search was under way in SIRHAN SIRHAN's room, located in the southeast corner of this one story house. BRANDT and his partner were quickly checking through notes, notebooks and papers in SIRHAN's room, pointing out to me three pertinent items found in two notebooks and on the front of one envelope - these items being described via telephone to SA LA RUE when we arrived at the Rampart Division. It should be noted that it was not possible to telephone out of the SIRHAN home, the line was being kept open, according to BRANDT, by news sources. I did not participate in the search.

About noon we left the SIRHAN residence and via police car went directly to the Rampart Division.

After my phone call to the office, which was made as soon as I arrived at the Rampart Division, I was instructed to obtain any pertinent data obtained from the police interview of ADEL SIRHAN. However, Lt. HUGHES, in charge, was on the telephone perhaps for ten minutes and when I was able to get in the room to monitor the interview being held in another part of the building the interview was nearly ending. In the office of Lt. HUGHES, where the interview was monitored, I found Mayor YORTY already there. I observed him examining the note books and documents obtained by Detective BRANDT and his partner at the SIRHAN residence.

I then requested Lt. HUGHES to make available a copy of the transcribed interview the department had with SIRHAN(Adel).

I was next instructed by SA CHESTER ST. VINCENT to obtain the originals of pertinent papers and photostatic copies of the balance of SIRHAN SIRHAN's papers as the Bureau had requested them.

Lt. HUGHES had LEE SMITH, LAPD, examine each page first; thereafter they were inventoried and turned over to the FBI.

While in the Rampart Division, BRANDT asked me if I was present when ADEL SIRHAN was warned of his rights at the Pasadena Police Department. I reminded BRANDT that at the time I was introduced to him and had stated my purpose for being there he told me that he had already advised ADEL SIRHAN of his rights.

BRANDT next asked me if I had been with him when arrangements were made with ADEL SIRHAN to visit the SIRHAN residence and I told him that I was not present then, that this probably occurred during my first telephone call to the Los Angeles Office because only upon my return to the interview did I learn that arrangements had been made to go with ADEL SIRHAN to the SIRHAN residence.

It should be noted that when BRANDT told me originally that arrangements had been made to go to the SIRHAN residence he did not indicate to me what the arrangements consisted of. Since I never saw what papers or documents BRANDT had in his possession and in view of the questions he asked of me I must assume that only oral arrangements were made.

It should be noted that I did not participate in the search and noted only that pertinent information which had already been gathered by BRANDT or his partner.

It should also be noted that I was instructed at the outset to stay close to ADEL SIRHAN and to report immediately any pertinent information obtained - and this was done.

Dr. KASPER FUCHS, Staff Neurosurgeon, Kaiser Foundation, 4867 Sunset Boulevard, telephonically advised SA A. JOE DOWNING, JR. that he was the attending physician of PAUL H. SCHRADE. Dr. FUCHS stated SCHRADE sustained a gunshot wound which struck him in approximately the middle of the forehead at the hairline. At impact the bullet left an indentation between the size of a nickle and a quarter. The bullet's impact caused bone fragments from the skull to lacerate the covering of the brain. The bullet which entered the skull exited about 3½" from the point of impact at the top of the skull in approximately the center. SCHRADE was also treated for a concussion which was caused by the bullet's impact.

Dr. FUCHS stated his patient remained in the Intensive Care Unit, but he would state his condition as satisfactory. He stated that SCHRADE was uncomfortable at the present time and he felt it would be approximately two days before he was physically able to engage in an interview.

TO : SAC, LOS ANGELES (56-156) DATE: 6/6/68

FROM : SA ROBERT H. CLAUDIUS

SUBJECT: KENSALT

Sergeant WILLIAM JORDAN, Rampart Detectives, Los Angeles Police Department, advised the arraignment of the suspect took place at approximately 7:00 A.M. on 6/5/68 in Division 40, Los Angeles County Municipal Court. The suspect was booked and arraignment was made under the name of "JOHN DOE". He was charged with six (6) counts of Section 217 Penal Code, "Assault to Commit Murder". Judge JOAN DEMPSEY KLEIN set bail at $250,000.00 and this bail will take effect upon the proper identification of the defendant. At the time of arraignment the suspect was actually held without bail due to the fact that his identity was not known and the terms of bail did not apply.

Sergeant JORDAN stated that it was his understanding the Los Angeles County District Attorney had planned to present the case to the Los Angeles County Grand Jury on Friday, June 7, 1968 in order to receive an indictment. He stated that if an indictment was immediately forthcoming, there would be no preliminary hearing for the subject.

Sergeant JORDAN stated he did not recall the exact date of preliminary hearing set by Judge KLEIN but that the law requires that the suspect must be afforded a preliminary hearing within ten (10) days after arraignment.

Bureau Instructions
Re: Report

At 8:43 AM, 6/6/68, Section Chief REX I. SHRODER telephonically furnished the following instructions:

1. The initial report in above matter must be at the Bureau on or before Monday morning, 6/10/68. SHRODER stated he noted we have three men reporting to In Service for 6/10/68, namely SAs HARRY H. WHIDBEE, HENRY J. PRATT and WILLIAM J. MC CAULEY, and the Bureau would definitely appreciate it if the report could arrive at the Bureau on Sunday evening, 6/9/68. SHRODER suggested Los Angeles could have one of the Agents deliver the report; however, the manner of transmittal was being left to the discretion of the SAC.

SHRODER stated a minimum of 20 copies of the report should be prepared for the Bureau and it is possible more copies may be necessary later as wide dissemination will be made by the Bureau.

SHRODER stated Los Angeles should insure that a comprehensive, workable index is included in the report and Los Angeles should insure that all individuals coming to the attention of this investigation are appropriately indexed for ready reference in the future.

SHRODER continued the Laboratory urgently needs legally admissible handwriting specimens immediately for comparison purposes. He said appropriate checks should be made of school and employment records and the like.

SHRODER continued that the Bureau is in receipt of several statements indicating subject SIRHAN SIRHAN or an individual resembling him was in various parts of the country in the recent past, and specifically in Portland, Oregon during the recent primary. He stated the Bureau would like to receive

DAISY M. BROWN, 7546 Bloom Way, Riverside, telephone 687-6515, advised that she is a nurse's aid at Parkview Hospital, Riverside. She has worked with a girl known as SHAHLA MANSOURI who is supposed to be from Persia. SHAHLA has been in this country about one year. Approximately one month ago on a weekend, SHAHLA introduced DAISY to a person who looked like the person accused of shooting Senator KENNEDY. She introduced him as SIRHAN.

SIRHAN said he was from Pasadena and that he was her boy friend. She advised SIRHAN appeared surprised when she ran into SIRHAN in the waiting room, but later said that he had come to give her a ride home. She saw him meet SHAHLA one other time.

SHAHLA supposedly resides at 655 D, South Indian Hill Boulevard, Claremont, California, telephone 624-6959. She is 19 years old, very small, wears about size eight clothes, hair is cut short, and is an attractive girl.

DAISY advised that she was calling from Parkview Hospital, number 688-2211, and after viewing the scheduling for working on the weekend, advised that SHAHLA was not due in Riverside until Sunday. At the time of the receipt of the above information, Riverside City College was closed.

SUBJECT: KENSALT

On 6/7/68, at 4:00 p.m., Mr. DONALD MISNER, Security Officer, Naval Air Station, Point Mugu, California, telephonically contacted the writer at the Ventura Resident Agency and furnished the following information:

On 6/7/68, Mr. DALLAS VALLO FRANKE, GS-12, Electronics Engineer at Point Mugu, who resides at 501 Deodar Street, Oxnard (date of birth, 4/14/22) came into Mr. MISNER's Office and advised him of the following:

Mr. FRANKE has been employed with the United States since 1/1/68 and formerly was an employee at Hughes Aircraft, El Segundo, California, except for a period of time in 1965 when he was on leave of absence due to health reasons when he was confined at Wadsworth Veterans Administration Hospital, Los Angeles. At that point, Mr. FRANKE began rambling and became disoriented in his conversation and talked of being harassed for the past ten years by members of a "syndicate".

In his conversation, he mentioned having been visited at the Wadsworth Hospital by a girl friend, JEAN DENYEER, who displayed a newspaper clipping concerning a Mr. WEEDNER (phonetic) dated December, 1966. This clipping indicated Mr. WEEDNER operated a health food store in Pasadena, California, and Miss DENYEER told him she worked at the store.

Mr. FRANKE advised that he further believed Miss DENYEER worked for the "syndicate" and was also in conspiracy with his doctor and lawyer. He advised that when he observed the television coverage of the ROBERT KENNEDY shooting, he realized that JEAN DENYEER might possibly be identical with the unknown woman wearing a polka dot dress, who is being sought in connection with this crime.

According to Mr. MISNER, no additional information or details could be furnished by Mr. FRANKE to link Miss DENYEER with captioned matter and, in view of Mr. FRANKE's position and access to classified information, the United States Navy intends to afford Mr. FRANKE a complete physical and psychological examination at the earliest opportunity and furnish it to the FBI.

Re Dallas teletype to Los Angeles, 6/6/68.

On 6/6/68, Mrs. NATE LEWIS KRISS, 25436 Adriana, Mission Diejo, California, telephone No. 830-2392, advised as follows:

She has never met SIRHAN BISHARA SIRHAN and knows nothing about his background, associates or activities. During April 1968, she and her husband, EDWARD M. KRISS, were in the cocktail lounge known as "Harper's Corner" in the Hilton Inn Hotel, Dallas, Texas. Their waiter was named "MOE" and in conversation with him he stated that he was a "Persian" and that he had a cousin also known as "MOE," who resides in Pasadena, California. The cousin was a waiter at a hotel believed by this individual to be the Ambassador Hotel. The man then wrote the name of his cousin, SIRHAN SIRHAN, of the Pasadena address, however, Mrs. KRISS was unable to find this piece of paper. She stated that she took the name and address in the event she was in the Ambassador Hotel at any time she would look up this individual. She was never in the Ambassador, however, and therefore had no contact with SIRHAN SIRHAN.

Mrs. KRISS advised to the best of her recollection the waiter "MOE" in Dallas told them that he was attending Southern Methodist University in that city.

On 6/6/68, she heard a news case wherein some statement was made regarding "a pink car and a girl" in instant case.

In this regard, she desires to furnish the following information:

Residing on the second floor of the same duplex in which she is living is a GERARD GRAU, a white male, age about 17, born in Algeria of French parents, a school dropout, and, according to his father, previously involved in narcotics use in Quebec, Canada. GERARD GRAU periodically resides with his parents at this address. A school dropout, he apparently only comes home when he desires. Several months ago, his mother, JEANNIE GRAU, requested that Mrs. MARCOTTE copy down the license of any automobiles which brought GERARD GRAU home.

In early April 1968, complaintant observed GRAU had in his possession an old model car of some sort, pink in color.

GRAU told her that the car belonged to a girlfriend of his who lived in Alhambra.

Complaintant stated that, on 4/17/68, GRAU made a collect call on her telephone to a Sierra Madre number of 355-3633.

Complaintant stated that she had no information to tie in with the KENNEDY assassination other than the pink car episode described above.

One Mrs. GUETT, tenant at this address, stated MISTRY was presently unemployed, and had left with a friend to look for work. She did not know when he would return. She furnished the telephone number at this residence as 796-7449, and suggested he be called before further trips were made to contact him. She believed he might go to the races on Saturday afternoon. Mrs. GUETT was aware MISTRY had called the police to tell them he was acquainted with SIRHAN SIRHAN, and stated she believed MISTRY was very honest and cooperative.

At 6:15 PM, a call was made to the above telephone number, however MISTRY was not in. Mrs. GUETT stated he was not expected until late in the evening. She agreed to try to obtain the telephone number of a close friend of MISTRY's, JOHN _____, to ask him to call the writer, and to give her his itinerary for Saturday, as someone would attempt to contact him.

RE : KENSALT

At 12:07 PM, 6/5/68, a female voice telephonically advised an SA in Los Angeles, "This is San Francisco, I want to tell you about the KENNEDY shooting." At first she refused to identify herself, but later when assured her identity would be kept confidential, stated she is Mrs. GERALDINE MC CRATY, 108½ Langton Street, San Francisco, California ZIP Code 94103, phone number (Area Code 415) 626-4445.

She then went on in a rambling way, to say that President JOHNSON, when Vice President, stated he wanted to be President; and later President JOHN F. KENNEDY was killed. She then pointed out that JOHNSON gave up the Presidential candidacy because he "knew" ROBERT KENNEDY would win. Then she asserted that "money was paid," and added knowingly, "If you ask the two brothers you may find out who paid the money." She went on briefly, in a somewhat irrational manner, implying that President JOHNSON was behind the attempted assassination, so that he could re-enter the Presidential race.

When asked why she phoned Los Angeles, instead of calling the FBI in her home town, she stated she has been in touch with that office on numerous occasions and offered to solve numerous cases, but that her assistance was not accepted. She was advised that her identity would be kept in confidence, and that her call would be made a matter of record.

Mrs. WILLIAMS and daughter, FRANCES D. WILLIAMS - 19, interviewed 6/5/68 by way of background related as follows:

Both Mrs. WILLIAMS and daughter have been extremely interested in current political campaign, both are strong supporters of Senator EUGENE MC CARTHY.

In May, 1968 Mrs. WILLIAMS went to Charleston, West Virginia to help campaign for MC CARTHY in the 5/14/68 Primary. About 2 A.M. of 5/10/68 she was at the MC CARTHY Campaign Headquarters and took a phone call from a STUART JOHNSON, whom she did not know. MC CARTHY Campaign Committee in Washington, D. C. to prepare ground work for the MC CARTHY Campaign in West Virginia.

Mrs. WILLIAMS returned to her home on or about May 16, 1968. She had a feeling there was some unexplained friction in the MC CARTHY Campaign, so she called Attorney JOHNSON for an appointment in order to discuss this matter. An appointment was made for 3:00 P.M. 5/16/68 in Attorney STUART JOHNSON's office, 910 17th Street N.W., Washington, D. C.

Mrs. WILLIAMS and daughter met with Attorney JOHNSON in his private office. They discussed for about one half hour the political campaign in general. JOHNSON acknowledged he had been discharged from the MC CARTHY National Campaign Committee in Washington due to a personality conflict, but that he was still for MC CARTHY, and was now working with another pro- MC CARTHY group (not further identified) in Washington, D.C., and that he was going to California 5/21/68 to campaign for MC CARTHY.

Mrs. WILLIAMS and daughter stated that during the meeting with Attorney JOHNSON, the latter did not discuss Senator ROBERT KENNEDY personally nor did he make any derogatory remarks about the Senator. However, Attorney JOHNSON did say there was a lot of hatred for KENNEDY throughout the nation, and stated "If BOBBY KENNEDY wins the nomination he will be killed before November."

Mrs. WILLIAMS and daughter stated that Attorney JOHNSON did not elaborate on the statement, but made it sound as though it was a matter of fact and a foregone conclusion that KENNEDY would be killed.

Mrs. WILLIAMS stated that following the conference in Attorney JOHNSON's office, the latter escorted Mrs. WILLIAMS and daughter to MC CARTHY Campaign Headquarters in Washington where he introduced them to a number of party workers.

Mrs. WILLIAMS stated that she can furnish no additional information and can not explain the specific significance behind JOHNSON's statement.

Mrs. WILLIAMS and daughter described STUART JOHNSON as a white male, age about 45, 5'11" - 6'0", slender build, graying hair, wore reading glasses.

As there does not appear to be any connection with captioned matter, this is submitted for information of Bureau, Los Angeles and WFO.

The writer and SA JOHN E. BEAMER contacted hotel manager CHARLES SMITH, Miramar Hotel, Santa Monica, California, and reviewed a registration card of one Miss MARGARET PETTE who registered for room 236 on 6/5/68, indicating she would depart on 6/9/68. The card contained the residence address as being Manhattan, New York. Mr. SMITH said the only other information he had concerning this individual was her room assignment 236 and a telephone call placed by her earlier today to local number 451-5911 (determined to be Los Angeles County local number Santa Monica area in County building).

Mr. AARON HULTMAN, Bell Captain, advised that the individual presently occupying room 236 checked in on 6/5/68 between 4:00 and 6:00 P.M. He stated he could not furnish more information regarding this individual other than this person was a female who has utilized room service on several occasions and he himself had picked up a black haired womans wig and had delivered it to the hotel beauty parlor. HULTMAN said there has been nothing particularly unusual about the activities of this person other than they have not been observed by other hotel employees. HULTMAN inquired among his bell men, however, was unable to obtain additional information.

Mrs. CHARLOTTE LAPPIER, Housekeeper, checked her records and advised that room 236, according to her schedule would have been vacated this date. She inquired of a maid responsible for the hall and determined that the "room should be vacant". Mrs. LAPPIER proceeded to the room, 236, unlocked door at which time it appeared

Mrs. MICHAEL STONE, Apartment 503, 6440 South Claiborne Avenue, advised that after viewing the photograph of the individual suspected to have shot Senator ROBERT F. KENNEDY she believed that she may have met this individual once or twice and thought the face of the man was associated with a former classmate of her's by the name of YVONNE MUNOZ. She advised that she saw this photograph on television and her identification is based on a very quick glance at this photograph.

Mrs. STONE advised that she was a classmate of MUNOZ at Fortier High School and they both graduated from this high school in 1964.

Mrs. STONE advised that she felt she saw this individual at the residence of MUNOZ during the 1963-64 school year as she and MUNOZ were students in a Spanish class during that year.

Mrs. STONE advised she could not be sure if the photograph of the assailant is the same man she met in 1964 and further advised she may be wrong in her association of this man with MUNOZ. She advised she only saw the photograph once when it was exhibited on television and she viewed this photograph for a very short period of time.

She described the individual whom she saw at the apartment of MUNOZ as a Cuban male approximately 19 to 20 years of age, 5'8" tall, very thin build, dark wiry hair and blue eyes. She further stated that this individual stuck in her mind due to the fact that she thought it was extremely unusual for a Cuban to have blue eyes.

SUBJECT: KENSALT

At 2:55 PM, 6/7/68, Mr. CARL GREENBERG, Political Editor, Los Angeles Times, telephone 625-2345, telephonically contacted the writer and furnished the following information:

GREENBERG made reference to the 6/7/68 issue of the Los Angeles Herald-Examiner wherein it is indicated one W. J. WOOD, a reported KENNEDY campaign worker, alleged seeing three swarthy men speaking in Arabic at KENNEDY headquarters. Mr. GREENBERG stated that should our investigation develop evidence that there was a conspiracy in the assassination of Senator ROBERT F. KENNEDY, he desired this office to be in possession of the following information:

GREENBERG stated as Political Editor he receives a lot of "junk" mail and for the past several years about once a month he receives a one-page mimeographed letter which contains normally pro-Arab propaganda. The letter is normally anti-Semitic and anti-KENNEDY and anti-Establishment. It allegedly is prepared by T. J. JEFF TOMA, a dentist who has an office at 5101 East Florence in Bell, California, telephone 589-1236. This individual is listed in the telephone book as having a residence at 7929 East Irwingrove Drive, Downey, telephone 869-1731.

GREENBERG stressed that while he has no specific evidence that this individual had any part in the assassination of Senator KENNEDY, he nevertheless felt that based on the material he produces, he would be capable of participating in a conspiracy.

Sac memo 6/7/68

This will record that at 3:15 PM on 6/7/68, SAC GRAPP spoke to Sheriff PETER J. PITCHESS. I inquired about the availability of a jail log as well as a medical report.

Sheriff PITCHESS stated that the jail log, which is of an administrative nature, reflected the subject had no visitors at any time except A.L. WIRIN, ACLU attorney. Mr. WIRIN visited the subject on three occasions. His purpose was to insure the defendant had legal counsel. WIRIN reportedly stated he would not be the defense attorney. The subject has had an attorney appointed for him, Mr. WILBUR LITTLEFIELD, the Deputy Public Defender of Los Angeles County, who has not visited the subject as yet. Sheriff PITCHESS stated that previously another attorney had contemplated taking the case, Public Defender RICHARD S. BUCKLEY. Sheriff PITCHESS stated BUCKLEY has never talked to the defendant in jail. As of this time, no attorney has talked to the subject.

The log will also show that on this date Deputy Attorney General WARREN CHRISTOPHER; Departmental Attorney WILLIAM LYNCH, and USA MATT BYRNE approached the area of the cell and looked over the facilities. They did not talk to the defendant.

According to Sheriff PITCHESS, the medical report reflects only the following information that is pertinent:

Upon receipt at the jail, a blood sampling was taken of the defendant, and he was given six x-rays. The x-rays reflect one broken finger which was put in a splint. In addition, the defendant had a left sprained ankle upon receipt at this facility, which has been bandaged. This medical attention was given by the medical director of the Los Angeles County Jail and his staff. Such needs were administered at the jail.

SUBJECT: KENSALT

At 9:30 this morning, a meeting was held in the office of United States Attorney W. MATTHEW BYRNE, Jr., at Mr. BYRNE's request. Present were Assistant Attorney General WARREN CHRISTOPHER, Departmental Attorney WILLIAM LYNCH, myself, and Supervisors NOLAN and ST. VINCENT. The meeting lasted until 10:20 AM.

CHRISTOPHER stated he had read the 39 page communication submitted by this office on June 5 and a four page communication furnished him yesterday.. The following topics were discussed:

The shooting of Senator KENNEDY, the evidence, the autopsy report, the subject's background and character, the background of the family, the other victims assaulted at the time of the shooting, the current incarceration of the subject, the pros and cons of a proposed interview of the subject by FBI agents, and the indications of a conspiracy on the part of the subject with others, and the lack thereof.

CHRISTOPHER stated he had read in our communication that one of our security informants indicated subject had supported some Communist Party ideals. He also stated that he is aware from newscasts that Mayor YORTY has indicated some possible connection with the DuBois Clubs of America. CHRISTOPHER stated he was concerned that if information developed by our investigation indicated a possible subversive tie-in and was furnished to the Police Department or the District Attorney, it could well be transmitted to Mayor YORTY and thus become the subject of further press releases. He added this, of course, could well expose the FBI's source of information.

At the conclusion of the conference, CHRISTOPHER indicated he was most pleased with the briefing and he was

KENNEDY SHOOTING, LAPD DR#68-521 466
(RAMPART DETECTIVE DIVISION HANDL.

TO : SAC (56-516) DATE: 6/8/68

FROM : SA RICHARD L. CROMWELL

SUBJECT: KENSALT

At 8:00pm this date writer was on duty at the Rampart Detectives, LAPD, and received information from Policeman LAWRENCE DE LOSH, Juvenile Division, Los Angeles Police Department, Extension 2805, that he has received several telephone calls from a personal friend, Mrs. HOWARD (JOAN) OTTO, 226 Hubble St., Houghton, Michigan, Area Code 906, telephone 482-7269, concerning captioned matter. DE LOSH said Mr. & Mrs. OTTO formerly lived in the Pasadena area, and that Mrs. OTTO knows many people in the Pasadena area who are acquainted with the SIRHANs. Mrs. OTTO also furnished following additional information to DE LOSH:

Recorded but to part of report Cromwell 6/9/68

She said that SENATOR FULBRIGHT will be the next victim of an assassination attempt. DE LOSH is unaware of the basis for her statement in that regard. However, he said that Mrs. OTTO told Dr. ROBERT NARA, a dentist, on 5/31/68, that SENATOR ROBERT KENNEDY would be killed. On the night of the assassination she was watching TV, and when her husband told her that she should go to bed she said she wanted to continue to watch, as she felt that KENNEDY was going to be killed. Mrs. OTTO has furnished information to FULBRIGHT's office concerning her "prophecy" of his having been slated for assassination.

Mrs. DE LOSH said that JACK RUBY's brother comes to Houghton, Michigan every 6 weeks, in connection with some business in which he is engaged. (Significance of above not known by DE LOSH).

DE LOSH indicated to Mrs. OTTO that the F.B.I. might wish to talk with her, and she said she was frightened. She said that if she is contacted that she does not want the local Police Department notified that she is being contacted, or notified of above information.

DE LOSH said Mrs. OTTO is a highly intelligent person of Armenian background, and that he did not regard her as being mentally disturbed.

Above furnished to SA WILLIAM J. NOLAN by telephone for purposes of setting out lead to have Mrs. OTTO interviewed.

DETAILS: At Los Angeles, California.

On May 19th Mr. Alfred Shelhamer, Steward representing the CHRB, forwarded an unsigned envelope addressed to BRENT COLCORD, Stewards Office, Hollywood Park. The message, copies of which are attached hereto, is set forth as follows:

"Brent Calcord
Stewards office
Hollywood Park
Big mouth Bass - - - Habit 1:14
Ingelwood, Calif. Ecc 9:12"

Written on front of envelope:

"Use the Jew-Roman Code book the king James Bible
GOD says, He maktest men as the fish of the sea, and as the creeping things that havent rule over them. (Habit 1:14)
ruler = school of fish. song - would you rather be a fish?
Priest and nun know that the children of man (Satan) will have their souls placed in Beast, fish, Birds, flowers etc.
Its plain to see even now you have no rule over you not even your dad, the track laws, GOD's word or Common horse sence. You Pick scabs off the horse before their ready to come off for one thing! When GOD places your Soul in a big mouth bass, you will be scaled while you still gulp for water."

Written along front edge of envelope: "gert itch-Blams on a groom"

Written along back edge of envelope: "You can lead a whore to water - EZK 39:18-20"

Written on back of envelope:

"You put away the pony without water-day after day you leave the dog unfed. Priest and nun give you the missal so you miss all the truths of GOD's word. Dan the horse attendent: Genesis 49:16-18 Jeremiah 8:16 Joel 2:4 All the years GOD has had me work as a groom in good stables such as with Impressive and the trainer who won the most races at Sportsman's Park last fall; Its easy to see why your horses seldom win yet you have the biggest mouth of them all. Where do you get your wisdom? from tobbaco packages -- Alcoholic Catholic liquor or bar girls. While the help is underpaid, the girls get the gravey. A few wisely placed $$ to the help would bring the better grooms and more winning horses. GOD say ye strain at a gnat and swallow a Camel (Matt 23:24). The Soul of Al Jolson is in the goat."

At bottom edge of envelope is drawn a musical staff sign and musical notes and written "Mama my".

2025 RELEASE UNDER E.O. 14176

Los Angeles
File 16-1864 P

On May 20th Investigator R. B. Meyhaus interviewed BRENT COLCORD concerning the anonymous message. COLCORD, after perusing the envelope, stated he thought MERLE MARION MATTESON could have written the letter because on May 10th he had an argument with him. COLCORD said MATTESON let a hot horse drink a half-pail of water, which was contrary to the training methods practiced by COLCORD. MATTESON was terminated on May 11th and went to work for Robert Wingfield the same date.

Investigator Meyhaus interviewed MATTESON on May 20, 1968, at which time he admitted writing the unsigned message. MATTESON said he felt BRENT COLCORD was negligent in handling his horse and failed to feed his dog. MATTESON said he felt this letter was one way he could let people know how he felt about BRENT COLCORD. MATTESON said he has worked with thoroughbred horses for about three years and has been licensed in New York, Ohio, Kentucky, Illinois, and California. Subject denied writing any other anonymous letters. It was Investigator Meyhaus' opinion that subject is suffering from a mental illness of some kind.

TRPB files in Los Angeles show subject was fingerprinted at Santa Anita on March 12, 1968, with the return showing one arrest by the Reno, Nevada Police Department on April 9, 1963; charge, disorderly, $30 or 30 days, fine paid, CII #2325510. According to CHRB records, subject is described as follows:

Sex:	Male
Race:	White
Date of Birth:	10/14/13
Place of Birth:	Canada
Height:	5'8"
Weight:	140#
Hair:	Brown
Eyes:	Blue

On May 21, 1968 Gordon Glisson, who handled the stable mail at Santa Anita, was shown the envelope from MATTESON, and was sure he recognized the handwriting and the style of writing as being identical with letters that had been posted at the stable mail room during the Santa Anita meeting. Glisson said these letters were addressed to such people as the President of the United States, Secretary of Defense, and the Roosevelt Mansion. Glisson said he mailed the letters, as they had been properly stamped and addressed. Glisson said he did not know the author of the letters.

On May 21, 1968 the writer contacted Mr. Anthony Sherman of the U.S. Secret Service, and Agent Voyles of the FBI. Neither agency had a record of MERLE MATTESON. Mr. Sherman said he would communicate with their Washington office to determine whether similar type messages had been referred there from the office of the U.S. Presidency. Mr. Sherman later called back and asked that the original of the envelope described in this report be submitted to him for examination. Mr. Sherman indicated he was checking on several communication of the same type that had been written anonymously on envelopes with red and blue ink. Mr. Sherman said when his examination was completed, he would return the original to the TRPB office in Los Angeles.

Earlier in the Hollywood Park meeting a similar type anonymous message written on a large plain white envelope was received at Hollywood Park addressed to the Stewards. 2025 RELEASE UNDER E.O. 14176

HOLLYWOOD PARK, Inglewood, Calif. June 5, 1968

AL WESSON SUGGESTS THAT THE FOLLOWING BE CALLED TO THE ATTENTION OF THE CITY DESK.

SIRHAN BISHARA SIRHAN, SUSPECT IN THE SHOOTING OF SENATOR ROBERT KENNEDY, SEEMED TO BE EMOTIONALLY NORMAL EXCEPT WHEN JORDAN-ISRAEL POLITICAL TROUBLES WERE IN THE NEWS, ACCORDING TO AN ASSISTANT TRAINER AT HOLLYWOOD PARK AND SANTA ANITA WHO KNEW HIM SEVERAL YEARS AGO.

"WHEN TROUBLE BROKE OUT BETWEEN JORDAN AND ISRAEL, SIRHAN WOULD BECOME INFLAMED. HE WAS VERY PRO-JORDAN AND ANTI-ISRAEL," SAID JOHN SHEAR IN A REPORT TO THE THOROUGHBRED RACING PROTECTIVE BUREAU TODAY AT HOLLYWOOD PARK. "OTHERWISE HE SEEMED TO BE NORMAL AND VERY WELL-EDUCATED."

SHEAR'S WIFE, DIANE, RECOGNIZED A TELEVISION PICTURE OF SIRHAN AS ONE WHO HAD WORKED FOUR YEARS AGO AS A GROOM FOR TRAINER GORDON BOWSHER, FOR WHOM SHEAR IS AN ASSISTANT. UPON RECEIVING THIS NEWS, SHEAR REPORTED TO THE TRPB, WHICH IS RESPONSIBLE FOR SECURITY AT SOUTHERN CALIFORNIA RACE TRACKS, AND GAVE AN ACCOUNT OF HIS ACQUAINTANCE-SHIP WITH SIRHAN TO TRPB AGENT RAY WILLIAMS.

WHEN SHEAR KNEW HIM HE WAS LICENSED BY THE CALIFORNIA HORSE RACING BOARD AS A GROOM. ACCORDING TO WILLIAMS, HE WAS FINGER-PRINTED IN ACCORDANCE WITH THE SECURITY RULES REGARDING RACE TRACK EMPLOYEES AND HIS FBI REPORT SHOWED NO ARREST RECORD.

"WHEN SIRHAN WORKED FOR MR. BOWSHER ABOUT FOUR YEARS AGO AT SANTA ANITA AND LATER AT POMONA HE SAID HE LIVED IN PASADENA WITH HIS MOTHER. HE WAS ABOUT FIVE-FOOT-FIVE AND VERY SLENDER AND WEIGHED ABOUT 115 POUNDS.

"HE HAD BEEN HERE FROM JORDAN ONLY ABOUT THREE YEARS, HE SAID, BUT HIS ENGLISH WAS PARTICALLY PERFECT WITH NO ACCENT AND HE SEEMED TO BE WELL-EDUCATED AND NORMAL. HOWEVER, WHEN THERE WAS TROUBLE BETWEEN JORDAN AND ISRAEL HE WOULD BECOME INFLAMED. SINCE I WASN'T INTERESTED IN POLITICS I WOULDN'T DISCUSS IT WITH HIM, BUT HE WAS VIOLENTLY PRO-JORDAN AND ANTI-ISRAEL.

2025 RELEASE UNDER E.O. 14176

"HE WANTED TO BE A JOCKEY AND THE PEOPLE AROUND THE TRACK ADVISED HIM TO GET A JOB ON A FARM WHERE HE COULD EXERCISE HORSES AND LEARN TO RIDE. HE LEFT MR. BOWSHER'S EMPLOY TO WORK ON A FARM, I BELIEVE, ABOUT THREE YEARS AGO.

"THE NEXT TIME I SAW HIM HE WAS FREE LANCING AS AN EXERCISE BOY AT THE TRACKS. I THINK HE TOLD ME THAT HE HAD BEEN WORKING AT REX ELLSWORTH'S RANCH IN CHINO."

THE CALIFORNIA HORSE RACING BOARD REPORTED THAT IN 1965 AND '66 HE WAS LICENSED AS A HOT WALKER AND EXERCISE BOY AND AGAIN THERE WAS NO ARREST RECORD ON HIS REPORT.

"THE LAST TIME I SAW SIRHAN WAS AT SANTA ANITA EARLIER THIS YEAR," SAID SHEAR. "I DIDN'T HAVE A CHANCE TO SPEAK TO HIM AND HAVEN'T SEEN HIM SINCE."

SHEAR, WHO FORMERLY EXERCISED HORSES AND WHO IS NOW ASSISTANT TRAINER TO BOWSHER, WHOSE JIM WHITE WON THE $100,000 HOLLYWOOD JUVENILE CHAMPIONSHIP LAST SUMMER AT HOLLYWOOD PARK, WORKS AT THE TRACK IN THE AFTERNOONS AS A GATEMAN AT THE HORSEMEN'S ENTRANCE TO THE PADDOCK.

THE SHEARS LIVE AT 526 W.HUNTINGTON DRIVE, ARCADIA.

IT WAS THROUGH THE FINGERPRINTING OF SIRHAN BY THE TRPB AT THE RACE TRACKS THAT SIRHAN WAS IDENTIFIED. HE HAD REFUSED TO DIVULGE HIS IDENTITY BEFORE IT WAS REVEALED BY THE FINGERPRINTS.

On 6/7/68, Mrs. DORE SASSOON, Manager, Frostonya Hotel, 346 North Vermont Avenue, Los Angeles, California, (protect identity as Mrs. SASSOON is a former PCI and requested annuity), telephonically contacted SA WIMMER and requested personal interview.

On the same date Mrs. SASSOON advised at approximately 1:30 a.m., 6/7/68, she had arisen and gone to the lobby of her hotel apartment building, where she observed an individual sleeping on one of the couches. She awoke the individual, asking him his purpose, at which time he advised as follows:

He identified himself as waiting for individuals in Room 109 of the hotel, at which time he exhibited the key to 109 bearing the name LARRY (middle initial unrecalled, possibly P.) BECK on a white plastic key retainer bearing the Room No. 109 of the Ambassador Hotel. On the plastic was a black strip of tape bearing BECK's name. He stated he believed himself to be in the Ambassador Hotel.

Upon questioning BECK advised Mrs. SASSOON that he was a member of the ROBERT KENNEDY Political Group in Los Angeles, and was employed for the purpose of arousing crowd response to KENNEDY's speeches as a member of the audience. He stated that he had been in the hotel the night ROBERT F. KENNEDY was assassinated, though he was not in the room at the time. He stated he recalled SIRHAN B. SIRHAN as either an employee or volunteer worker in the KENNEDY Headquarters morning cleanup crew, and stated he had spoked with SIRHAN on two or three occasions. He stated

that on the night of KENNEDY's shooting, a female member of the group employed as he was, was in the room at the time of the shooting and was interviewed by a CBS newsman and stated essentially as above concerning SIRHAN. He stated that THEODORE SORENSEN had observed the above conversation and immediately rushed to the girl, name unknown, and the newsman, advising him that the girl was hysterical and admonishing him not to show or print any of the information furnished by her.

BECK advised Mrs. SASSOON that the individual members of the group employed as he had been by KENNEDY, had been similarly dismissed by the KENNEDY Party Officials and had been treated rather shabbily by them while in the Oregon and Los Angeles areas. He stated KENNEDY was not popular with the group, but had requested that they reappear at the Democratic Convention in Chicago, following the California Primary, to be re-employed for the same purpose. He stated it was planned among the dissented members to stage a disruptive demonstration at the convention, inasmuch as it was felt by them that KENNEDY would have little chance in the National elections, and in an effort to somewhat embarrass the KENNEDY Group. BECK advised Mrs. SASSOON that he had been employed by a high ranking member of the KENNEDY Group, whom he identified as BILL MOLEEN (phonetic). (Muller)

BECK advised that it would have been simple for SIRHAN to have obtained an identification badge or a plastic room key retainer, which he stated was necessary to obtain entrance to the gatherings in the Ambassador Hotel. He stated SIRHAN was seen by him on at least two or three occasions in the KENNEDY Party Headquarters on Wilshire Boulevard.

Mrs. SASSOON described BECK as follows:

At approximately 10:15 AM this date I was given the assignment of interviewing Officer G. D. DILL (or G. D. DILL), of LAPD Homicide, who apparently had some part in the investigation of this matter, and who had testified at the Grand Jury meeting. I had only his home phone number, and called it to arrange to meet with DILL to find out what his part in matter was, and to obtain what information he could furnish.

A woman answered the phone; when I asked for Mr. DILL she asked who was calling, that Mr. DILL was asleep. I told her who I was and what I had called for, and she immediately left the phone. Several minutes later a sleepy sounding man answered and said he was Officer DILL. He sounded very disagreeable, stating I had caused him to be awakened from a sound sleep. He said he had no idea who I was and would not give me his home address or any other information over the phone. He said his part in the investigation was very small, having had to do with one of the other victims, that he had given all the information he had to the Grand Jury meeting, at which (he said) 2 FBI agents were present. He said if we wanted to know more details, we should contact Officer ADOLPH MELANDROS (phonetic only), at Rampart Division of LAPD, who was in charge of the matter, and who has all the information had and given by DILL.

DILL was very nasty sounding in his entire conversation, and left a most unpleasant impression with me. I thanked him and terminated the call.

Arraignment of Sirhan to be held in Los Angeles County Jail 6/7/68

On 6/7/68, the writer contacted Inspector RALPH WELCH, Los Angeles County Jail facility, 441 Bauchet Street, Los Angeles, for the purpose of arranging appropriate liaison between that Agency and the FBI with respect to SIRHAN BISHARA SIRHAN.

Inspector WELCH explained SIRHAN is being maintained in a custodian capacity in a second floor hospital wing of the jail. He occupies a room by himself, with the exception of one Deputy Sheriff who occupies the same quarters with him. In addition, there are six other Deputy Sheriff personnel on duty who have SIRHAN in their observation at all times on a twenty-four hour a day, seven day a week basis.

In addition, a written log is being maintained which reflects any activity with respect to SIRHAN, such as requests for food, drink, etc., including the times he is awake and asleep. Inspector WELCH explained that the log frequently has entries two and three minutes apart which contain information of possible pertinency.

In addition to the foregoing, WELCH explained that Sheriff PETER J. PITCHESS has instructed all personnel assigned to this detail that they are in no way to conduct themselves as investigators or participate in anything of an investigative nature nor are they to question or discuss with SIRHAN BISHARA SIRHAN this investigation.

In addition, WELCH explained that all decisions with respect to handling of the prisoner are being made by Sheriff PITCHESS personally; all requests for any action with respect to SIRHAN are immediately furnished to Sheriff PITCHESS and, repeating, all decisions will be made by him.

It is anticipated that SIRHAN would be arraigned in the New Los Angeles County Jail facility sometime subsequent to 3:00 p.m., 6/7/68, assuming the Grand Jury returned a true bill of indictment. WELCH requested that the writer accompany him to the chapel facility on the third floor in this building, and on the tour, explained to the writer the security measures which would be taken to insure that no harm would befall SIRHAN during the arraignment. WELCH also made arrangements for the writer to attend the arraignment.

Special Agents DONALD E. GODFREY and J. C. FISHBECK, JR. contacted COOPEE at the above Post Office, and observed COOPEE's review of the registered and certified mail receipts from January 13, 1968 through June 5, 1968. No receipts bearing SIRHAN's name was located.

KENNEDY on same date. COOPEE stated he attended Pasadena City College in September 1963 and was introduced to SIRHAN who at that time was a member of the Foreign Student Club. COOPEE recalled he never associated with SIRHAN and was only casually acquainted with him. COOPEE said he had not seen, heard, or been in contact with SIRHAN since late 1963. Investigation at Greek Village and covering of subsequent leads reveals ANTOINETTE (LNU) actually is known as BARBARA KHOURY who was previously located and thereafter interviewed at the residence of SIRHAN BISHARA SIRHAN by Bureau Agents.

MRS. CHRISTA ADAMS
215½ West Windsor Boulevard

INFORMATION CONCERNING

On the night of 6/7/68, as the writer was leaving the office at approximately 9:00 p.m., a woman, who later identified herself as Mrs. CHRISTA ADAMS of 215½ West Windsor Boulevard, Glendale, California, approached the writer and began talking to him. This woman claimed that she had been reincarnated and was presently the reincarnation of the Virgin Mary. She claimed to be able to receive messages from Heaven and claimed that Jesus talked to her and that she saw Him from time to time standing on the clouds. She also claimed that she either had or had had a child who was supposed to be the current visitation of Christ on Earth. The complainant was not clear in this regard. This individual talked to the writer for several minutes before he could excuse himself from her. Her entire conversation was rambling in nature and at one point she stated that she wanted to be some help to SIRHAN SIRHAN, who was accused of killing Senator KENNEDY. The writer advised her that she could be of no help to ~~him~~ her in this matter and in response to her question as to how to reach him, she was told that as it had been stated in the newspapers, she could write to him at the Los Angeles County Jail. (he was at the LA County JAIL 2nd)

Memorandum

TO : SAC, LOS ANGELES (56-156) DATE: 6/9/68

FROM : SA W. A. HAMILTON

SUBJECT: KENSALT

On 6/7/68, ROBERT DUTTON, 20417 Road 288, Lindsay, California (telephone number 568-7830), telephonically advised SA W. A. HAMILTON that he was attending a bridge tournament in the vicinity of the Ambassador Hotel on the night of 6/1/68, and after viewing photographs of the subject on TV he believes that this is the same individual he saw walking south on Catalina Street. He stated he believed the individual's car was parked in the area south of the Ambassador Hotel; therefore, the subject was probably returning to his car at that time.

DUTTON said that he had thought more about the killing of Senator KENNEDY and had come to the conclusion that the South Vietnamese Government would have the most be gained by killing Senator KENNEDY. He said that if Senator KENNEDY had been elected President, we might have pulled out our forces in Vietnam.

DUTTON stated that he could furnish no additional information concerning SIRHAN or his activities in that area.

On 6/9/68, DUTTON telephonically contacted the Los Angeles Office furnishing approximately same information as furnished above.

On 6/5/68, Mr. SIDNEY SLOMICH, 2660 Flores Avenue, San Mateo, California, telephonically advised that his son, MICHAEL SLOMICH, may have information regarding captioned matter and that he was presently at this address and available for interview. SIDNEY SLOMICH indicated that he had previously been employed by the Central Intelligence Agency, Washington, D.C., and that he felt his son may have pertinent information.

MICHAEL SLOMICH was contacted at the residence of his father, 2660 Flores Avenue, San Mateo, California, during the evening of 6/5/68. He was interviewed in the presence of his father, SIDNEY SLOMICH. He stated that he is at present a graduate student at San Francisco State College, San Francisco, and resides at 2464 California Street, San Francisco, California.

MICHAEL SLOMICH stated that he attended Pasadena City College approximately one and a half years and subsequently attended University of California at Los Angeles from approximately February, 1966, to December, 1967, at which time he graduated.

MICHAEL SLOMICH stated that he is aware that there is a Syrian-Lebanese Cultural Center, possibly known as the Syrian-Lebanese-American Cultural Center, located on Hollywood Boulevard near Sunset Strip. He stated that this group is a far right group, and he has knowledge that in the past the organization has permitted the American Nazi Party to utilize their headquarters to hold meetings and conduct action against "peace" demonstrators and to "eliminate traitors". These meetings

occurred in approximately August, 1967.

SLOMICH stated that he may have seen SIRHAN BISHARA SIRHAN at some of these meetings or in connection with this group. SLOMICH said he is not positive at all that he has seen SIRHAN and states he has no acquaintance with him.

SLOMICH further advised that in Pasadena, California, on Colorado Boulevard, across the street from Pasadena City College, a bookstore known as the Americanism Book Store was formerly located. This store is now out of existence and has been gone for approximately two years. MICHAEL SLOMICH stated this book store was operated by a former ~~Nazi Party~~ NAVY PETTY officer whose name he does not recall, and it is his impression that in its stock it carried the far right Arab literature which was strongly anti-Semitic. He stated that he felt this could be significant in that SIRHAN was from Pasadena.

Further interview with MICHAEL SLOMICH elicited from him the fact that he attended DuBois Club meetings at the University of California at Los Angeles from approximately February, 1966, to December, 1967. He stated that he was very friendly with one WALTER CROWE, who was one of the significant individuals in this group. SLOMICH requested that in the event CROWE were contacted for any reason that his (SLOMICH's) identity be completely concealed. SLOMICH stated that in his association with the DuBois Club, which also included three city-wide meetings and twelve city-wide parties, he had never observed SIRHAN at any of these affairs. He indicated that he considered the DuBois Club to be a conservative-type organization composed of middle-class students who were rebelling against their parents. It was a non-militant, nonactive group interested principally in theory. He advised that the DuBois Club at Pasadena City College was never active to any extent.

In addition, MICHAEL SLOMICH stated that he was in the Students for Democratic Society (SDS) at the University of California at Los Angeles from February, 1966, to December, 1967, and attended many meetings of this organization. He expressed the opinion that he knew everyone in the SDS in Southern California, including students from University of California at Los

Angeles, Pasadena City College, Los Angeles City College, and University of Southern California. He stated that he does not recall SIRHAN as ever being in attendance at any of these meetings, nor was he known to him in any way through these activities.

SLOMICH advised that he is presently active in the SDS at San Francisco State College and has been one of the activists protesting the Naval ROTC unit on the campus, and that he has been involved in the current demonstrations at this school.

The above is furnished for the information of the Los Angeles Office in captioned matter.

He stated that SHARIF SIRHAN, in his opinion, did not express any extremist views on the Arab-Israeli question or the relationship of the U. KRADSHEH stated that to his knowledge SIRHAN had no connection with any Palestinian nationalist organization back in Jordan. KRADSHEH does not recall ever having met SIRHAN BISHARA SIRHAN.

They traveled to the residence of the SIRHANs in Pasadena and visited with Mrs. SIRHAN briefly. At that time none of the other members of the family were at home. KRADSHEH's uncle, MAJED QUOSSOUS, returned to Jordan shortly thereafter and is presently residing there. The last time KRADSHEH saw SHARIF SIRHAN was around 1958. HAWTHORNE requested that the FBI send him to Long Beach so he could solve the matter involving the assault on Senator ROBERT F. KENNEDY and "expose the underworld."

[redacted] age 17, and his mother, EMILY KIRK, 753 Cole Avenue, Apartment 101, telephone HO 4-5428, were contacted with respect to the occupants of Apartment 102, which is the southern front ground floor apartment directly across the hall from their apartment. It is noted that complainant in referenced complaint, advised that she thought that the occupants of Apartment 102, were Jordanian students, who might possibly be friends or acquaintances of SIRHAN SIRHAN.

[redacted] and his mother EMILY advised that they did not think the individuals in Apartment 102 were Jordanian, since they observed various magazines that were addressed to them in the magazine slot for the apartment and the material seemed to be of an Israeli nature.

The following individuals, who are all residents of Apartment 102, were contacted and it was determined at that time that they were Israeli nationals on student visas studying in the U. S. Each advised that he does not know SIRHAN SIRHAN and except for the individual noted below, each stated that he does not know anyone who knows either SIRHAN SIRHAN or any members of his family.

They returned to the kitchen passageway, positioned themselves in such a position as to be able to see Senator KENNEDY and his party as they came out of the hall. Senator BEILENSON stated that after seeing Senator KENNEDY walk by he turned his head in the opposite direction to see if he could see some of his friends. He heard popping noises but assumed that these were balloons popping. He never saw Senator KENNEDY or the assailant and was unable to furnish any information concerning anyone else he might have noted in that area.

Date 6/7/68

Mrs. DOLORES BEILENSON, 4551 Parkridge Road, advised that on June 5, 1968, she and her husband, State Senator ANTHONY C. BEILENSON, arrived at the Hotel Ambassador, Los Angeles, California, where Senator ROBERT F. KENNEDY was making a speech after being the apparent winner in the California Democratic Presidential Primary. They arrived shortly before the termination of Senator KENNEDY's speech and went to the ballroom where he was speaking. It was too crowded, however, and they left after remaining there only a short period of time and returned to the kitchen passageway. They positioned themselves in the passageway so as to be able to see the Senator and be able to greet friends as they came out.

Mrs. BEILENSON stated that after Senator KENNEDY passed her she turned her head back to see if she would be able to see Mrs. ETHEL KENNEDY. She did not see Mrs. KENNEDY and turned her head back in a direction where Senator KENNEDY would have reached at that time. At the same instant she turned her head, she did not observe Senator KENNEDY but instantaneously observed three flashes emanating from a gun which appeared to be held at waist level by a man she described as being of short stature, slim, 25 to 30 years of age, dark coloring, appearing to be of Mexican American extraction. At this point she also heard three popping noises. She does not recall the arm being extended. She stated that she was approximately 20 feet away from the man holding the gun and that she could see the man from his mid-thigh up. She could not recall what obscured her vision of the rest of the man. She added that there was no one in the immediate vicinity of the man. She could not see Senator KENNEDY at this point. Upon hearing additional shots, she immediately left the area.

Due to the fact that her observation of the gunman was momentarily, she does not believe she could positively identify him. She does not recall seeing anyone else in particular outside the uniformed kitchen help, KENNEDY's staff and friends.

DORGAN interviewed under pretext all inmates at WSR from Southern California being interviewed.

DORGAN gave same information relayed by source. He voluntarily supplemented initial information saying he remembered suspect, SIRHAN, or a person who looked identical to him, in Chihuahua, Mexico, in 1960. He said in 1960 he joined "Hells Angels," Oakland Chapter, and toured various areas in Mexico. He said he remembered seeing a young man giving a speech to arouse young people and assumed that it was a Communist Party meeting, and suspect or a look-alike was preaching against capitalism and was "anti-everything." Inmate stated that when he saw picture of suspect, he looked very familiar, but he could not recall where he had seen him until he heard his name as SIRHAN SIRHAN and then he recalled him from Chihuahua. He said that one of the members of "Hells Angels" told him that the man was training to be a "contractor," which he later determined to be a paid assassin. He said he assumed from his association in "Hells Angels" the man was being trained by Communists.

DORGAN said man used good English, which was understandable, but he had a noticeable accent. He said he recalled the name SIRHAN because of its phonetic similarities to "South Seas women's dresses - sarongs."

He said he could not recall exact names of persons in "Hells Angels" whom he formerly associated with who related information concerning the person in Mexico, except their club names of "tiny" and "Jim." He stated that "Jim" was believed to have last name of BURGESS (ph), who was President of the Oakland Chapter.

He gave the following description for man he recalled seeing in Chihuahua and in his opinion identical to suspect SIRHAN SIRHAN:

Age	17 (1960)
Build	Thin
Complexion	Dark
Nationality	Mexican, Spanish-American, or Arab
Facial features	Thin
Height	5'5"
Weight	120-140 lbs.

HUDSON ROLAND MOLLY, RA 198-77-933, Specialist 5, assigned Army Missile Test and Evaluation Agency, Hawk Project, White Sands Missile Range, New Mexico, on 6/7/68 advised SA HERBERT F. GREATHOUSE he attended Pasadena City College near Los Angeles, California, in 1963 and 1964 with SIRHAN SIRHAN. He knew him as an average student on the campus who appeared to have no particular ax to grind with respect to the Israeli-Arab situation and did not associate with Arab students but was friendly with everybody. He had no information as to any campus organizations or particular friends, female or otherwise, that this man had but recalled that he rode back and forth to school in SIRHAN's car with one BRUCE FULTON, now a soldier who is a Specialist 4 at Redstone Arsenal, Redstone, Alabama.

He could furnish no other associates by name and was of no further assistance in this case. Leads to interview BRUCE FULTON are not being set forth but are left to the discretion of Los Angeles.

2025 RELEASE UNDER E.O. 14176

JOSEPH THOMAS KLEIN, who was with PATTI NELSON and saw this same individual, was interviewed; however, he did not see the butt of a gun protruding from the package that this unknown individual was carrying. KLEIN stated that he was this same individual who ran from the Embassy Room the next day on the Frank Reynolds News Cast, ABC, Channel 7, 5:30 to 6:00 PM, 6/5/68.

On 6/7/68, WEAVER was interviewed concerning his comments in this matter.

On 6/7/68, SA LESLIE F. WARREN and SA BOGSTAD contacted Mr. WILLIAM P. MC SHERRY, Television News Director, ABC, 4151 Prospect Avenue, Los Angeles, California, telephone number 663-3311, and made arrangements to view the video tape of the Frank Reynolds News Cast. MC SHERRY stated that he would like to make a video tape of the three witnesses that were to view this tape. MC SHERRY was advised that this was up to the witnesses and the FBI could make no recommendation in this matter. MC SHERRY stated that if there was a news story in this matter that they, ABC, wanted to be in on it from the beginning. MC SHERRY was advised that if a video tape was to be made that the FBI was not to be involved in connection with the filming of it.

NELSON, KLEIN and WEAVER were taken by SA WARREN and SA BOGSTAD to view the above mentioned video tape. They were told that they, ABC, would like to make a video tape of their comments and that such appearance on their part would have to be of their own free will and accord.

The video tape of the Frank Reynolds News Cast was shown by MC SHERRY and staff. Each individual viewed the video tape separately and several times to insure ample opportunity to make an identification. NELSON and KLEIN both postively identified an individual on this film as being the individual they saw coming out of the Embassy Room of the Ambassador Hotel. WEAVER furnished a tentative identification of this individual.

After separate viewings of the above video tape, FD-302s were prepared on these indviduals' comments.

After viewing this video tape, MC SHERRY advised NELSON, KLEIN and WEAVER that he would like to make a pilot

2025 RELEASE UNDER E.O. 14176

video film of their comments concerning the identification of this individual. WEAVER, KLEIN and NELSON were again advised that it was entirely up to them if they wanted to make this television film and that the FBI could not make any recommendations one way or another in this matter. NELSON, KLEIN and WEAVER agreed that they wanted to make this film. Agents were not present when the filming of the pilot film was made by ABC.

MC SHERRY explained that they did not plan to use this film at this time and that the only way that they would use it was if something did come up later concerning this identification which would make a news story.

On 6/7/68, Photo Lab Clerk RICHARD D. FERNANDES took pictures of the video tape which showed this unknown individual running out of the Embassy Room. The pictures obtained by FERNANDES are located in the 1A section of this file.

LEADS

Will furnish copies of the photographs of this unknown individual to the Los Angeles Police Department.

Will use these photographs for further evaluation and potential investigative leads.

POLLARD explained that colored film purchased from BERKSON is being developed in black and white and is currently in early process of this development, which according to him is quite time consuming. He made available eight photographs taken by EPPRIDGE, for whatever value they may be worth. These photographs are also enclosed.

POLLARD said that he understood that EPPRIDGE was very close to ROBERT KENNEDY at the time of shooting and that soon after Mrs. KENNEDY rushed toher husband's side she immediately asked the press and everyone to move back, but allowed EPPRIDGE to remain because she personally knows EPPRIDGE.

POLLARD said EPPRIDGE generally is assigned at their NYO and is currently with funeral coverage.

It is not known if EPPRIDGE has been interviewed and consideration is being left to discretion of office of origin.

Enclosed for the file is an investigative insert showing investigation conducted in Los Angeles.

The writer was given the lead to contact CHRISTINE R. MC DONAUGH, 510 N. Cahuenga concerning information received from Mrs. CAROL BRESHEARS, who was in charge of the "KENNEDY girls", who thought MC DONAUGH was the redhead in question who saw SIRHAN ejected from the kitchen area. BRESHEARS earlier received information from a man who identified himself as a reporter from Newsweek magazine who was trying to locate a "KENNEDY girl" who had red hair and observed SIRHAN being ejected from the kitchen on the night KENNEDY was shot.

No lead is being set forth to interview JAMES M. LOWE, 4620 Coliseum, as a previous lead has been set out to have him interviewed.

2025 RELEASE UNDER E.O. 14176

The following investigation was conducted by SAs WILLIAM R. WHITLEY and THOMAS G. MANSFIELD:

CHRISTINE R. MC DONAUGH, 510 North Cahuenga, Los Angeles, advised on 6/9/68 that she had been a "KENNEDY worker" and on the night Senator ROBERT F. KENNEDY was shot she and her husband were in attendance at the Ambassador Hotel.

She advised that she and her husband WILLIAM arrived at the hotel at 7:48 PM, which was the time marked on her parking ticket. When she arrived she met with GLORIA LOUJAN in the hallway of the hotel and she agreed to take their purses to room ten of the hotel and wait for other "KENNEDY girls". She remained in room ten for approximately forty-five minutes and then went directly to the Embassy Room of the hotel. She was in the Embassy Room for about an hour when KENNEDY arrived. As the crowd began coming in she became seperated from her husband so she and LOUJAN advanced to within six feet of the podium.

After she heard KENNEDY's speech and as he was leaving the podium to her right the crowd began pushing her to her left. Just as she was about four or five feet to the left of the podium, someone ran past her. The image was blurred and it was impossible for her to get any type of description. She then heard someone on the other side of the room scream KENNEDY had been stabbed. When she heard this three other men raced past her to her left pushing people out of the way in the process. She recognized one of the men to be JAMES M. LOWE, another "KENNEDY worker".

She said after this incident she and GLORIA made their way to some chairs to the left of the podium and sat down. They remained at this location until everyone was ordered to clear the room.

She said at no time was she near the kitchen area nor did she recognize anyone near the area of the kitchen.

She said she has not been contacted by anyone from Newsweek magazine.

She also advised that CAROL BRESHEARS has complete charge of the records pertaining to the names of the "KENNEDY workers". Some of the records contain photographs of the workers. She herself worked out of the Wilshire district and she said there could be other girls from other districts that might have ~~red hair who could have been the individual who saw SIRHAN ejected from the kitchen area.~~

At approximately 8:20 A.M., 6/7/68, Mr. SCHROEDER called the SAC and advised a question had been raised as to the search conducted of SIRHAN's room; specifically, a teletype was requested summarizing this. The teletype should answer the following questions:

(1) Who gave the consent to search the room and was it in writing?

(2) Did the consent specify the search of the entire house or was the consent merely limited to the room SIRHAN occupied. Also, was he paying for this room?

(3) Did whoever gave the consent specify that anything could be taken from the room?

(4) Did the police department give a receipt for those items taken?

(5) Did an Agent actually participate in the search. If he did there is no problem.

At this point SAC GRAPP advised there is a major problem, ~~and that the Agent did not participate in the search according to info. received confidentially from local authorities and, in fact, tried to stop it.~~ there is no question the search is illegal and the prosecution cannot use the evidence obtained.

For Mr. SCHROEDER's personal information Mr. GRAPP advised that there is a disagreement between Mayor SAM YORTY and District Attorney YOUNGER. This is merely a smoke screen

to cover up the illegal search. Mr. GRAPP advised he can quote the deputy district attorney as saying it was an illegal search in the teletype, but this should not be disseminated outside the Bureau.

Mr. SCHROEDER stated no inquiries should be made but if the statement has been made it should be put in the teletype. The teletype should state this info. in the explanations of the Bur. should not be disseminated. This teletype should be sent as soon as possible.

Mr. DE LOACH has instructed we return the evidence to the police department by Monday. The fingerprint examination is still not done. Arrangements should be made to get this on the airplane along with copies of the examination, one for our office and one copy for the police department which will be turned over to them when we return the evidence.

Mr. GRAPP requested someone give him this authorization to turn these copies over to the police department. He was advised that a memorandum will be written at the Bureau concerning this authority. A cover letter will also be with the evidence stating it should be returned to the police department and give them copies of the laboratory report.

Los Angeles will receive photographic copies of this material.

Mr. SCHROEDER advised if we receive any evidence hereafter through our own investigative efforts, it should be

2025 RELEASE UNDER E.O. 14176

sent back to the laboratory. However, it will later be sent to District Attorney YOUNGER by cover letter over the Director's signature. This cover letter will be prepared in Washington and sent to Los Angeles for us to give to YOUNGER. A copy of the initial reports and subsequent reports should be available to YOUNGER provided they are in proper form. They will also be accompanied by a cover letter over the Director's signature. These reports will be checked over at the Bureau first and any errors corrected. The finished product will then be sent to Los Angeles for dissemination to YOUNGER.

The matter of writing the report was discussed with Mr. DELOACH. He had advised that security data has to be in the initial report and subsequent reports. It should be set forth in such a manner that there is a section in the report containing this information. However, this information should be set forth that when disseminated it will not divulge the existence of our sources.

Mr. GRAPP stated that there are pitfalls in this procedure as when YOUNGER gets this report it will more than likely go to the police department. They will have to have free and full access to it. The possibility exists that Mayor YORTY will also see it. Mayor YORTY has again made statements that this is the work of subversives and communists. Mr. DE LOACH was very adamant that this security data be in the report according to Schedule

2025 RELEASE UNDER E.O. 14176

It was suggested that if there are any problems concerning this, they be resolved by teletype rather than calling the Bureau.

Memorandum

TO : SAC, LOS ANGELES (56-156) DATE: 6/11/68

FROM : SUPV. CHESTER E. ST. VINCENT

SUBJECT: KENSALT

At 8:05 A.M., Section Chief REX SHRODER called and desired to know if BUCKLEY was still SIRHAN SIRHAN's attorney.

SHRODER was informed that Attorney A. L. WIRIN, leading attorney associated with the American Civil Liberties Union in Los Angeles, interviewed SIRHAN yesterday, 6/10/68. Subsequent to this interview, WIRIN held a press conference at which time he stated a request had been made to the California Bar Association to appoint a "name" attorney. WIRIN related the attorney, of course, would have to be agreeable to SIRHAN.

At 9:15 A.M., SHRODER again called and desired to know if a Bureau artist would be of assistance in resolving the woman in the polka dot dress aspect of this case. SHRODER was advised a teletype was being prepared summarizing investigation to this moment into that phase and would be sent to the Bureau today. It was suggested perhaps a decision could be made after investigation to date has been analyzed.

Wirin had another press conference

MIDDLE EAST SITUATION

A source who has furnished reliable information in the past on June 6, 1968, voluntarily furnished the following information concerning the Middle East Situation based on his observations of when he was in Syria and Lebanon in 1957 and 1958. The source noted that he has had no recent contact with the Middle East but that he wishes to furnish the following background for such value as it may be in regard to the murder of Senator Kennedy in Los Angeles.

The Syrian Communist Party was the center of Communist Party activities in Syria, Lebanon, and Jordan in 1957 and 1958, although each nation had its separate national organizations. At that time, the Communist Parties in Syria and Lebanon were semi-legal and completely illegal in Jordan. The head of the Communist Party in Syria at that time was an individual named Bagdash.

The source recalled that the Communist Parties in the Middle East in 1957 and 1958 were very fanatic and did considerable work among the refugees in Palastine, making them exceedingly corruptible. He noted that the refugees endured very much suffering and that they were easy to buy off with money and idealogy.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Facts of complaint

C has known S's wife, YOLANDA ABBASS, home ph. 465-4638, for approx. a year. YOLANDA divorced MIKE in 1961, but has lived with him off and on until 6 months ago. She also operates an employment agency called Yolandas Domestic Agency, ph 624-9381. YOLANDA, in general conversation 2 or 3 months ago, related that MIKE ABBASS was very anti-KENNEDY. MIKE and others from Egypt hold secret meetings each week to collect and send money to their native country. At these meetings they also discuss their dislike for the US, its policies, and its leaders. YOLANDA described MIKE as a psychopath, with a violent temper and a person capable of killing someone. Because of the above, because MIKE has been arressted in L.A. for assault and due to the recent killing of KENNEDY she felt she should furnish this information to the FBI.

C stated she could furnish no further information, but felt YOLANDA should be contacted to determine if this matter might be pertinent.

FROM : SA RICHARD L. CROMWELL

SUBJECT: KENSALT

At about 9:50 PM, Sgt. HENRY CULLUM, Rampart Div., LAPD, received a telephone call from the Santa Monica P.D. advising that they had received information from one VERONICA DEEMS that one TAMARA COROVICH, a passenger on Flight 4, American Airlines, destined for New York, had some connection with the Kennedy Assassination or with SIRHAN. According to the SMPD, an attempt had been made to verify COROVICH's flight, and it was learned that she was not on the flight. However, they advised that she had been paged at the Kennedy Airport in New York, and had answered the page, and was to be interviewed by the FBI or the PD.

At 9:55 PM writer received a telephone call from Det. EDWIN WOODSON, Port Authority Police, Kennedy Airport, New York City, tel.: 656-4444, to the effect that he and his partner, Det. HARRY BRADY, had interviewed one JAFFER AHMED AL ZAKI, 1850 Taft Ave., Hollywood, Calif., an incoming passenger on Flight 4, American Airlines. ZAKI had Calif. Driver's license # [redacted], which described him as a male, born 10/2/36, black hair, brown eyes, 5'6"; 131 lbs, previous license expired 1965. He had an identification card from the Arabian Oil Co., in the name J. A. ZAKI, followed by the number 4010. The remainder of the card was printed in another language, believed to be Arabic. He said he was destined to the Great Northern Hotel, 118 - 57th St., New York City, where he would remain for 2 days, after which he would proceed to Saudi Arabia, where he is employed by the Arabian Oil Co. ZAKI denied any personal knowledge concerning the Kennedy assassination or of SIRHAN. Det. WOODSON said he knew of no connection between ZAKI and ~~xxxx~~ SIRHAN or the killing of Kennedy.

VERONICA DEEMS, 852 B, 10th St., Santa Monica, Calif., tel.: 395-9439, was interviewed on evening of 6/9/68, (at 13940 Tahiti Way, #217, Marina Del Rey) by Officers R. Phillips & W. Rathburn, LAPD, because of call from Santa Monica P.D. (see para. 1, above). DEEMS advised officers that her very close friend (PETER KAIVADA) has been acting very "nervous and weird" since the Kennedy shooting. She found a note in PETER's pocket with the followin message, "TAMARA COROVICH, Sunday 4:30 AAL" DEEMS was suspicious that this had something to do with the Kennedy shooting so she contacted the airlines who in turn contacted Santa Monica P.D. Sgt. TREVIS, Santa Monica contacted LAPD. Officers advised writer that DEEMS was sort "off" [illegible] and could show no connection with Kennedy shooting.

Re memo of SA ROBERT J. LADD dated 6/6/68.

Mrs. SAMUEL (DOROTHY) HUTTON, Manager, Park Plaza Apartments, 1014 West Hutington Drive, Apartment 1, Arcadia, California, furnished the following information:

Between 6:30 and 7:30 P.M. on Tuesday evening, 6/4/68, she was in her apartment which is located at the north end of a two store modern apartment building on the south side of Huntington Drive. She observed three men walking by her apartment in an easterly direction and, as she was about to go to the door of her apartment located on the east side of the building, two of the men approached the door.

The shortest of the men inquired about an unfurnished apartment and she stated that she could furnish them a key to Apartment No. 5 which was currently unoccupied and which was located on the second floor of her building directly over her apartment. This individual took the key and approximately ten minutes later returned with it. She described him as being a male Caucasian, early 20s, 5'3" to 5'5", 125-130 pounds, curly black hair, slight foreign accent, round face, sloppily dressed, wearing a Navy-type pea jacket and light colored trousers.

Mrs. HUTTON was shown three photographs of SIRHAN SIRHAN and she advised that, based on these photographs, she did not feel that the individual who came to her apartment and SIRHAN SIRHAN were identical. She stated the grayish complexion of the individual who she saw personally and his round face were distinctly dissimilar to the complexion and face of SIRHAN SIRHAN.

Mrs. HUTTON advised that her neighbor, Mrs. LOMEDA ELLIS was also visited by these three individuals.

Mrs. LOMEDA ELLIS, Manager of the Ranch House Apartments, 1008 West Huntington Drive, Arcadia, phone 445-4977, advised as follows:

At approximately 7:00 P.M. on 6/4/68, three dark-skinned male Caucasians appeared outside of her apartment on foot. She observed them from her kitchen window and they looked as though they were about to approach her apartment in order to inquire about a vacant apartment. Two of them remained outside approximately 20 feet from her vantage point while the third and smallest of the three proceeded toward her apartment door, which is located in an alcove on the west side of her apartment building. This individual did not knock on the door but apparently turned around and together with the other two individuals left the area walking toward the east in a normal pace. Also with her in the apartment at the time was a tenant, Mrs. BETTY BROWN, BETTY BROWN's 15-year-old son, JAY BROWN, and her (ELLIS's) 17-year-old daughter, CAROLE, and 10-year-old son, ROBERT. She advised that she thinks that each of the individuals present in her apartment saw the three dark-skinned males.

She described the shortest of the three as being a male, 24 or 25 years old, 5'7", 140 pounds, black curly hair, gray complexion, and dressed in bright colored clothing.

Mrs. ELLIS was shown three photograph of SIRHAN SIRHAN and she advised that, in her opinion, SIRHAN SIRHAN is not identical to the shortest of the three individuals who appeared at her apartment although he resembled him somewhat. She also stated that the other two males appeared to be approximately 28 years of age, 5'8" - 5'9", and were distinctly dissimilar to SIRHAN SIRHAN.

Mrs. BETTY BROWN, Apartment 1, 1008 Huntington Drive, and JAY BROWN, age 15, same address, were also interviewed and they supplied essentially the same information as related above. They were shown photographs of SIRHAN SIRHAN and they advised that, in their opinions, he was not identical to any of the individuals who appeared at the apartment of Mrs. ELLIS at approximately 7:00 P.M., 6/4/68.

RE Arlington Robert Scott

Dear Sir:

This will confirm a telephone call from Special Agent Gilbert G. Benjamin of this office with Special Agent Robert K. Barker of your office at 3:25 p.m., June 10, 1968 relating to Arlington Robert Scott.

Information received today from the Central Intelligence Agency reflects that over this past weekend they received a telephone call from Arlington Robert Scott, 2919 Bedford Avenue, Pittsburgh, Pennsylvania (Pittsburgh telephone number 683-8063), in which he requested "assistance and equipment" from the Central Intelligence Agency. He stated he needed this help in order to travel to California to see that Senator Robert F. Kennedy's assailant was properly punished. He further stated that since Senator Kennedy was the only friend of the Negro, he wanted to make sure Sirhan Sirhan would receive proper punishment.

No further identifying information regarding Scott is available at this time. The Los Angeles Police Department and Los Angeles Sheriff's Office have been advised of the above information.

Very truly yours,

Re memo of SA C. KENNETH ARNOLD, JR. dated 6/5/68 (Ser. 21).

On 6/7/68, LOUISE HALLECK, 22368 Pacific Coast Highway, Malibu, California, advised she is employed at this address as a housekeeper by Mrs. GRACE GARLAND and is currently living in the GARLAND residence.

She stated that during the evening of 6/3/68, at approximately 10:00 PM, the doorbell rang, and she called through the door, asking for the identity of the caller. A male voice replied, "It's the telephone repair man," and Mrs. HALLECK, because of the late hour, said, "Are you kidding?" The male voice then replied, "No, I am not," and Mrs. HALLECK left the door, called Mrs. GARLAND who was upstairs in the residence, and told Mrs. GARLAND to look out the window to see if she could observe who was at the door. Mrs. GARLAND was unable to see any person, and Mrs. HALLECK stated that at no time did she open the door or the window in the door and, therefore, did not see the person who was outside.

Mrs. HALLECK stated that she learned the following day that the KENNEDY family was staying at the residence next door to Mrs. GARLAND's home and for this reason feels that this matter could possibly have some connection with this case. She further stated that the Malibu Substation of the Los Angeles Sheriff's Office was notified regarding this matter during the evening of 6/3/68, primarily because of the high incidence of burglaries and robberies in the area.

Various notes, books, writings, and papers were obtained from the room of SIRHAN BISHARA SIRHAN, 696 East Howard, Pasadena, California, by the LAPD on 6/5/68. These items were forwarded to FBI Laboratory for examination. The Lab is continuing to examine these items; however, the Lab advised that in one of the submitted notebooks captioned, "Pasadena City College," there is contained in that notebook the following information of value:

One of the pages consists of an undated letter written in Arabic apparently to his mother, in which he sends her $10 to buy postage stamps for letters she will write to him and mainly for the envelopes and newspapers or magazines of the Rosicrucians and packages. He says he is waiting for the check from the U. S. Treasury. He states he has written his address on the envelope and she is to use it only to mail the letters and that she is not to reveal to anyone his whereabouts.

A second page contains Arabic words "Hotel 1879" with the name "ROGERS" written in English after this notation.

Registration Act - Middle East

~~SECRET~~

The June 6, 1968 issue of "The New York Times" reflects the following:

"John M. Lawrence, chairman of what he called 'a pro-Arab radical left action group,' Federated Americans against Israeli Racism, 57 West 10th Street, said his organization would offer financial support to Sirhan Sirhan.

"'We're for him, although we wish he hadn't used the assassination technique,' Mr. Lawrence, a law researcher, said.

"He declared that 'there are no tears in us for Robert Kennedy,' whom he called 'the advocate of sending American jet bombers to Israel so Jews may kill more Arabs.'"

On June 6, 1968, a confidential source who has furnished reliable information in the past advised that John Laurence who was associated with the Federated Americans Against Israeli Racism, 57 West 10th Street, New York, New York, furnished to the Tass News Agency, the official organ of the Soviet Government, the following statement:

"Robert Kennedy, the advocate of sending American jet bombers to Israel, so Jews may kill more Arabs, is now the victim of American bullets, pumped into him by a Palestinian Arab exile. His chickens have come home to roost. History always has a logic of revenge. The Jewish war on Palestinian Arabs more and more will necessarily be brought to the streets of America, to torture those who, in cynical politics, support it. We in FAIR reprove Mr. Sirhan for using assassination methods, but we do not [illegible] backs on him."

FROM : SA FRANCIS J. GALLOWAY

SUBJECT: KENSALT

Re serial 69, FD71, reflecting information received from LES HORVATH, 9176 La Barca, Fountain Valley, California concerning alleged statements he heard at the Five Points Shopping Center Hardware Store, Huntington Beach, Calif.

A memo and three FD 302's re the above were dictated on June 7, 1968. In essence JAMES E. JAYCOCKS, an employee of the above store admitted he made statements concerning SENATOR KENNEDY but he denied knowing anything about the assassination of Senator Kennedy, stated he did not know anyone who was going to kill Senator Kennedy, and said the statements he made were as the result of information he heard from an unknown customer of the store. This customer stated he had been at the VA Hospital, location unknown but probably Long Beach, California, and he said that the patients there were angry at Senator Kennedy for his Vietmamese War statements. This man did not say that anyone at the hospital would kill Senator Kennedy, but he said that some of the patients said that if Kennedy were President, someone ought to shoot him.

JAMES E. JAYCOCKS has been described by his employer, WENDELL T. PIERSON, as a "big mouth" when it came to discussing politics. He stated that he talks politics constantly and that he keeps him only because of the lack of suitable employees. Mr. PIERSON never heard JAYCOCKS make any statements similar to the above.

Mr. HORVATH, the man who made the original complaint, stated he thinks JAYCOCKS was "just talking", and that he has a "big mouth" and talks too much.

It is noted JAMES E. JAYCOCKS has no criminal record at Huntington Beach, California PD or the Orange County Sheriff's Office, Santa Ana, California, but the indices of the Los Angeles Office reflect a possible 42 case re JAMES EUGENE JAYCOCKS, 42-10327, an old case. JAYCOCKS is WMA, date of birth 11/24/26, residence 7602 Taylor, Huntington Beach, Calif.

On 6/11/68, STEVE SMITH, Southern California Kennedy Campaign Coordinator, was interviewed at Kennedy Headquarters, 5615 Wilshire Boulevard, Los Angeles. Mr. SMITH was advised that the FBI was attempting to determine the itineraries of Senator KENNEDY and his campaign party in Oregon and California during May and June, 1968. He was also advised that the Bureau was attempting to identify members of the official KENNEDY traveling party.

Mr. SMITH, through a clerk, LUCY SALINGER, made available copies of itineraries in their files; however, Mr. SMITH commented that they could have been subject to change.

Mr. SMITH stated that JOE DOLAN and JERRY BRUNO were both "advance men" for the Senator and would have been in charge of all scheduling. He further advised that one DICK TUCK, FRED DUTTON and BILL BARRY would have been with the Senator in most of his travels and should have most specific knowledge as to itineraries and also would be able to identify the official members of the party. Mr. SMITH indicated ~~that he approximated~~ that the party would approximate 100 individuals, 12 to 15 of them being staff members and the balance members of the press. Mr. SMITH said that the whereabouts of these individuals could be ascertained through KENNEDY Headquarters in Washington, D. C. and contact with them should be arranged through that office.

SMITH stated that BRUNO normally associated with the Syracuse Office but he believed he was still in Washington. Mr. SMITH stated that FRANK MANKIEWICZ, PIERRE SALINGER and JESSE UNRUH would have traveled very limitedly. STEVE SMITH, ~~the brother~~ in-law of the late Senator, did not travel at all according to Coordinator SMITH and like MANKIEWICZ, spent most of his time at KENNEDY Headquarters on Wilshire Boulevard.

He did recall, however, that two or three weeks ago, exact date unknown, at approximately midnight, he had received a telephone call from an individual identifying himself as an FBI agent to the effect that some liquor store owner, either in Balboa or Newport Beach area of Orange County, had overheard a customer, not identified, say something to the effect that the Senator should be assassinated. SMITH could not recall the names of any of the parties involved nor did he recall the identity of the agent; however, he did advise that the following day, he had called the FBI Office in Los Angeles to verify that there was an agent by the name used in the telephone call the previous night and told someone, possibly Advance Man JOE DOLAN, about it but did nothing further.

8 June 1968

Mr. Vern F. Davis, Resident Agent
Federal Bureau of Investigation
Post Office Building
Salem, Oregon 97308

Dear Mr. Davis:

I had a telephone call from my brother, R. T. Williams (Jr.) who lives in Pasadena, California, at 111 Linda Vista. He works for the Adult Education Division of the University of California at Los Angeles.

He reminded me of some past history and tied together some personalities which I had not connected.

As you know, I was formerly married to the former Evangeline Mae Lillenas, who still carries my name, not having remarried since our divorce in 1964. She lives at 6901 S. W. Oak, Portland, Oregon, 97223. Her telephone Number is 244-1497. She teaches at the Sherwood Union High School.

Her late father, Haldor Lillenas, was a noted protestant hymnologist and composer, and was an ordained minister in the Church of the Nazarene - of which my late father, R. T. Williams, (Sr.) was General Superintendent from 1916 until his death in 1946.

Some years ago, after Lillenas' retirement from active participation in the Nazarene Publishing House, for which he had been music editor for years, he moved to Pasadena, with his second wife (Evangeline's mother having died during WW II), Lola Lillenas. They lived on East Mountain Street there. I believe that the address was 1945.

He and his wife started making a series of trips abroad every year or so, shipping their car over by the boat on which they were passengers. Lillenas, being a native of Norway, favored the steamship lines of that country. They made two or three trips through the Scandanavian countries; and one year went into Central and Southern Europe, driving down from Denmark through France and Spain, across southern France and into Italy; and they ferried the Mediterranean for a trip into the Holy Land.

While on this trip, they met (so I have heard them tell) a Jordanian who was able to communicate with them in broken English. He seemed to be an ardent Christian, interested in the work of a small Christian-oriented orphanage. He attached himself to them as a sort of a guide,

2025 RELEASE UNDER E.O. 14176

and added to the pleasure of their trip. With him along as guide, they were able to indulge their hobby of photography - mostly colored slides and 8 mm movies.

Through this connection with them, Lillenas was finally persuaded to make the usual guarantee to the Immigration Service that this man, his wife and three children, would not become public charges. On this basis they were permitted entry into the country. Upon their arrival, Mr. and Mrs. Lillenas put these people up in their own very nice home.

On one visit the Lillenas' made up here while these people were living in their home, Mr. Lillenas expressed to Evangeline and to me the fear that he may have made a mistake; that it was quite difficult for the father of this family to get work which he was willing to take; he enjoyed the comfortable living in the Lillenas home which must have seemed like paradise itself after the squalor of their home in Jordan. Lillenas expressed the fear that he might have a sort of "man who came to dinner" situation on his hands.

By the time Evangeline and I next visited Mr. and Mrs. Lillenas in Pasadena, the "visitors" were gone. Lillenas had gotten some work for them. The girl either then, or later, became a maid in the home of Mr. and Mrs. Malcolm Maguiar, also of Pasadena - one of the owners of the manufacturers of Mirror-Bright automobile polish, and quite well-to-do people. Maguiar's father had been a close friend of my father; and the younger Maguiars are close friends of my brother.

The daughter in this Jordanian family died of Lukemia, while still working for Madge (Mrs. Malcolm) Maguiar, I understand.

At the time this Jordanian family came to live with my late then father-in-law, the youngest boy was 13 years of age, Mrs. Maguiar told my brother this morning. The papers give his age as 24. So this must have been 11 years ago.

That boy is the one who has been identified as the assassin of Senator Kennedy, for whom I voted in the recent Oregon primary.

I know that all agencies will want to communicate with anyone who had any contact or connection, however remote, with this assassin and his family.

It is for this reason that I am telling you what little I know of this.

I have been quite shaken, since about 11:00 this morning, when I learned through my brother, that my late former father-in-law was responsible for the entry into the United States, of this character.

2025 RELEASE UNDER E.O. 14176

I do not remember just when Haldor Lillenas died. It must have been in the middle-to-late '50s, or the early '60s. His widow, Lola Lillenas, so far as I know, still lives in the Pasadena area, but, I believe, has an Altadena address. My brother will know it. His home telephone number is (213) 792-6173. His office telephone number is (213) 478-9711, Extension 4016.

Respectfully submitted,

Reginald S. Williams

RE: ASSASSINATION OF ROBERT F. KENNEDY
INFORMATION CONCERNING

FLOYD ARMSTEAD, Instructor, Mathematics Department, Olympic College, Bremerton, Washington, advised on June 6, 1968 that on the morning of June 6, 1968 while he and some Olympic College students were in a discussion with a student named SULAIMAN NOSAYAN, the latter made some statements concerning the assassination of New York Senator ROBERT F. KENNEDY in Los Angeles, California, June 5, 1968.

Mr. ARMSTEAD stated that SULAIMAN NOSAYAN said the assassin of KENNEDY was "justified in doing what he did". He said that SULAIMAN NOSAYAN further said he knew the assassin personally, having met him in San Francisco. However, he did not indicate the closeness of their relationship. Mr. ARMSTEAD said that SULAIMAN NOSAYAN also remarked "you must remember that this took place one year from June 5" (of last year). Mr. ARMSTEAD said further that SULAIMAN NOSAYAN was apparently well informed concerning the statements of Senator KENNEDY and pointed out that Senator KENNEDY had recently made statements supporting the shipment of arms to Israel. Mr. ARMSTEAD said that he, ARMSTEAD, told SULAIMAN NOSAYAN that "you (Arabs) will not get anywhere by blood shed" whereupon SULAIMAN NOSAYAN said "we'll be back again" (apparently referring to the Arab-Israeli dispute).

Mr. ARMSTEAD said that in some previous discussions with SULAIMAN NOSAYAN, whom he described as a soft-spoken individual who is 'hice to talk to", SULAIMAN NOSAYAN had indicated the he does not hate the Jews as individuals but is against the aggression of Israel and that he holds it against the United States and Britain for helping Israel. Mr. ARMSTEAD said that SULAIMAN NOSAYAN has also said that NASSER is a great man and wo (United States) does not understand him.

SUBJECT: KENSALT

Re Memo of SA JOHN M. CALLAGHAN, dated 6/8/68.

It was ascertained on 6/9/68 that records of the Pasadena Police Department re SIRHAN B. SIRHAN would not be available until 6/10/68 but that the arrest referred to in re memo was not the arrest of SIRHAN B. SIRHAN but that of his brother SHARIEF SIRHAN who was booked 2 - 3 years ago for 317 PC (Attempt of Committ Murder) for blowing up a car of his girlfriend. This charge was later reduced to a minor offense of Tampering with a Car.

It was further ascertained on 6/10/68 that the Pasadena Police Department had furnished to the FBI all records pertaining to the entire SIRHAN family which records included the abovementioned 317 PC. It was also ascertained that SHARIEF SIRHAN was represented by attorney CHARLES HOLLOPETER, 234 E. Colorado Blvd., Pasadena, Calif., Tel. #681-6532 and that HOLLOPETER had succeeded in reducing above 317 PC to a minor offense as stated above.

In view of the fact that above Pasadena Police Dept records are already in possession of the FBI and that the above-mentioned arrest involved SHARIEF SIRHAN rather than SIRHAN B. SIRHAN, no further investigation is being conducted in this phase at this time.

TO : SAC, LOS ANGELES (56-156) DATE: 6/11/68

FROM : SA NORMAN R. JOHNSON

SUBJECT: KENSALT

ELSA MARIE BUTLER, 1673 North Golden Gate Avenue, Los Angeles, California, telephone 667-3384, was interviewed by SA NORMAN R. JOHNSON and SA THEODORE E. CHILDRESS on 6/10/68. She is employed as a belly dancer at The Fez, 1508 North Vermont. She furnished information concerning the atmosphere at this restaurant which is primarily Arabic and indicated that many of the employees have been interviewed by the authorities.

She noted that the manager, MACHMOUD SIAM, aka Mike, was observed by her to be quite elated over the assassination of Senator KENNEDY. He expressed the opinion that it had been committed by Jews. The bartender, SAM YASIR (phonetic), expressed the opinion it had been committed by Catholics. This was before the identity of SIRHAN BISHARA SIRHAN had been established.

The brothers of SIRHAN SIRHAN, namely ADEL SIRHAN and SHARIF SIRHAN, are known at The Fez, ADEL having been a former employee. SHARIF is a regular customer.

Miss BUTLER furnished the name of MYLENE KAY (phonetic) as a former girl friend of ADEL and who probably is acquainted with the entire SIRHAN family. KAY is an Australian and is believed to be currently employed as a belly dancer at the Barefoot Bar, Vacation Village, San Diego.

Miss BUTLER stated that the owner of The Fez is LOUIS SHALEBY, aka Louis Shelby. He resides on North Berendo Street and has telephone number NO 3-2649. Miss BUTLER noted that SHALEBY does not appear to be sympathetic with the Arabic clientele and has been quite upset about the assassination. The Fez has been closed since the assassination inasmuch as SHALEBY feels it is unsafe to open.

Facts of complaint

C said he was highly interested in the KENNEDY Shooting and wished he could be of assistence to someone. C said he recalled that last June, 1967, he had witnessed and taken slides of the Israeli Bond Rally at the Hollywood Bowl. C said he recalled one day there was a sort of protest march by a group of Arabs. He said he took pictures of these people also.

C said in view of the recent "APB's" broadcast by the Police in regards to the "blonde girl in a white polka dot dress," he had some slides he wished to leave to have reviewed. C said what is particularly interesting is that a blonde girl, appearing not to be of Arab descent is pictured in these slides. He said the pictures are quite clear and perhaps other faces might be recognized.

C said his only request is that the slides be returned to him after this office is through with them. He asked that they not be re-touched or damaged.

With the help of SA LARUE the writer prepared a "receipt" for the two slides. The original copy going to the C and a carbon for LA File.

LUCY SALENGER, Press Office Secretary, KENNEDY Campaign Headquarters, 5615 Wilshire Boulevard, Los Angeles, California, with residence 6000 Cocos Drive, Los Angeles, California, telephone 466-5875, furnished the following information:

SALENGER advised that on Election Day, June 4, 1968, and a few days prior various individuals from local television stations photographed the activities at the KENNEDY Campaign Headquarters. She stated that she believes most of these individuals used motion picture cameras in making their films. She stated that aside from the local television channels there were also representatives from Canadian Broadcasting Company and Swiss Television. She stated that JOHN FRANKENHEIMER of MGM Studios also took photographs.

SALENGER advised that to her knowledge the only person that took any photographs for their own personal use was a volunteer worker by the name of ANNIE (LNU). SALENGER stated that she would attempt to further identify ANNIE and obtain her address and telephone number.

SALENGER added that she has no information as to the content of the films made at the headquarters or those photographs taken by ANNIE and reiterated that as far as she knows, the films and photographs were taken at various times of the day and merely recorded the activities which took place at the campaign headquarters.

Of the names appearing on the above list, ROOSEVELT GRIER, RAFER JOHNSON, and C.D. DILL, a LAPD Homicide Detective, did not testify before the Grand Jury.

JOHN HOWARD, a member of the Los Angeles County District Attorney's Prosecutive Staff, who thus far has handled the Grand Jury and court appearance in behalf of the Los Angeles County District Attorney with regard to SIRHAN, advised on 6/8/68, that JESUS PEREZ, mentioned above, is an individual who appeared before the Grand Jury and was not, in his opinion, a particularly helpful witness. HOWARD requested that in the event PEREZ is reinterviewed by Agents of the FBI, the results of that interview be made available to his office so that a comparison and evaluation could be made with the previous interview conducted. It was further HOWARD's opinion that the caliber of witness which PEREZ proved to be was quite probably due to his limited intellectual capacity and a language problem in that he does not speak good English.

Mr. HOWARD also advised that Judge ARTHUR L. ALARCON has ordered five copies of the daily trial transcript to be prepared during subsequent proceedings in this matter. He stated that in the event the Federal Government would be in need of a copy of the daily transcript, arrangements should be made through his office for appropriate copies to be made and which would have to be paid for.

On 6/10/68, GEORGE MURPHY advised that a complete transcript of the proceedings in this matter before the Los Angeles County Grand Jury on 6/7/68, had not been completed. It is believed that the complete transcript will not be completely typed for a period of approximately ten days.

He stated that he was sponsored by an unknown friend of his wife's aunt, whose name was Mrs. JOHN G. GILLETTE, now deceased. He said the sponsor, whose name is unknown, is also deceased, and in 1956 the unknown friend and Mrs. GILLETTE resided at 15½ El Dorado in Arcadia.

Mr. SHARP said he has met DOBASS on several occasions in 1956 - 1958 and believes DOBASS returned to Jordan sometime in 1962. He does not know if he attempted to re-enter the United States. He did not know, nor did Mrs. SHARP know that DOBASS had attended any other school in the United States except PCC. SHARP and wife visited Jordan in 1963 and tried to find DOBASS, but could not locate him by telephone. Mrs. SHARP advised that they have not seen DOBASS in at least eight years although she was aware that he had subsequently, that is after he had finished at PCC, attended USC and UCLA. Facts of complaint

C related she and her husband operate the Harilea Stationary Shop, 38 N. Mentor, Pasadena, SY-63727. C said she usually accompanies her husband to the shop on Monday mornings. When she does this, she usually has breakfast at the little coffee shop, (name unknown) right next door to the stationary shop (on the north). C related she had a lunch in there about two weeks ago. She said there was a young Arabic or Cuban fellow eating in there, and he seemed to be arguing with a couple (later identified to C as HARRY and DIANE SHAW) over politics and campaigns, and violence in the U.S. in general. She said she believes this young man may have been SIRHAN, or at least it looked like him. C said she did not give the matter too much more thought, but did remember the young man seemed quite insensed by the whole thing. C said since then she has had occasion to go back to the coffee shop. She brought this incident up to the operator of the shpp who became quite reluctant to discuss the matter, indicating "others had been asking alot of questions too, and I don't want to talk about it." C said she felt this might be of some interest or value. She was thanked for calling.

FEDERAL BUREAU OF INVESTIGATION

1

Date 6-10-68

Mrs. HALDOR LILLENAS (LOLA), age 74, 5232 Roe Avenue, Mission, Kansas, advised she and her late husband were sponsors for BISHARA SIRHAN and family. Two oldest children of SIRHAN family remained in Jordan because LILLENAS refused to sponsor them as they were of legal age.

LILLENAS stated she and her husband, who was an ordained minister of the Church of the Nazarene, went on a European vacation in 1955. While visiting in Jordan, BISHARA SIRHAN contacted LILLENAS and inquired as to the possibility of coming to the United States. LILLENAS decided to sponsor the SIRHAN family as their inquiries reflected the SIRHAN family to be a worthy christian family.

Mr. LILLENAS, working through Church World Service and the Friends Organization, became the sponsor of the SIRHAN family and in November, 1957, SIRHAN came to Pasadena, California, and lived in the LILLENAS home for about three months until suitable housing and employment could be obtained.

BISHARA SIRHAN left his family in 1958 and returned to Jordan because he felt living in the United States did not allow him to control his family as in the past. BISHARA SIRHAN wrote letters to his wife requesting her to return to Jordan and if she refused he would obtain a divorce. Mrs. SIRHAN refused to return to Jordan and told LILLENAS since she had been married in the Greek Orthodox Church, no divorce would be granted to her husband.

LILLENAS advised her husband had handled all the responsibilities pertaining to the SIRHAN family and after Mr. LILLENAS died in 1959, she has had only one contact with the SIRHAN family which was in about 1963 when AYDA SIRHAN, a daughter, died. At this time, LILLENAS saw only Mrs. SIRHAN and she visited for only fifteen minutes. LILLENAS moved from Pasadena, California, to Mission, Kansas, about three years ago and has had no contact with the SIRHAN family since moving to Mission, Kansas.

TO : SAC, Los Angeles (56-156)

DATE: June 11, 1968

FROM : SA GILBERT G. BENJAMIN

SUBJECT: KENSALT

In connection with the lead being coordinated by SA RICHARD BUCARO, relating to a student-oriented publication titled, "The Opinion," found by the police among the personal property of SIRHAN B. SIRHAN, the following information was furnished the writer by Captain DALE HILTON, USN (Retired), established source, who is the Director of Student Publications, Room 303, Student Union Building, University Avenue and Childs Way, University of Southern California (USC), on June 11, 1968:

Captain HILTON said that he personally was not previously acquainted with the publication "The Opinion," but he caused a team of library researchers at the USC Library to check on this matter, and he has been advised that "The Opinion" is an intercollegiate mimeographed periodical, put out in two column format, for circulation to student leaders on college and university campuses throughout the United States. It is published by one JOSEPH MORELLA, Box 82, Nutley, New Jersey.

Publication of "The Opinion" was started in 1962. Contributors to it have been from Harvard University, the University of Illinois, University of Pennsylvania, and the University of Wisconsin. Except for a limited "carry over" the periodical deals largely with colleges and universities east of the Mississippi River.

The above is the only student-oriented periodical bearing the title "The Opinion," which the USC library research team was able to come up with, according to Captain HILTON.

Re Complaint Form dated 6/7/68 regarding EDNA BONACICH.

IRENE LONG, 12208 Glover Avenue, Los Angeles, California, was contacted at her residence regarding her telephone call to the FBI stating that EDNA BONACICH might be identical with the girl in the polka dot dress being sought by the Los Angeles Police Department.

During the interview it appeared that Mrs. LONG had a personal dislike for EDNA BONACICH and had no basis for believing that she ~~might be the girl in the~~ polka dot dress. She had worked for BONACICH as a KENNEDY campaign worker and during this time had never seen BONACICH in a dress. She also had not been in contact with BONACICH since the assassination. She stated further she had no real reason for believing that BONACICH might be identical with the unknown girl.

On 6/11/68, LA 4863-S furnished to SA J. CHARLES MERRIMAN a written report dated 6/11/68 containing the following:

On 6/8/68, LA 4863-S was in attendance at a meeting of the Students Club, Western Section, Southern California District Communist Party (SCDCP), at the residence of JIM BERLAND, 1974 South Robertson Avenue, Los Angeles. [X]

BERLAND announced at this meeting that subsequent to the assassination of Senator ROBERT F. KENNEDY, FBI Agents had visited and interviewed WALTER CROWE at the latter's residence and employment. RON RIDENOUR criticized CROWE for talking to FBI Agents. RIDENOUR further commented that every person has the right not to talk to the FBI until a warrant is presented, after which a person then has the right to see his attorney first. BERLAND suggested to CROWE that he should get in touch with attorney BEN MARGOLIS before submitting to another interview with FBI Agents. [X]

CROWE stated at this meeting that he did not divulge any information to the interviewing FBI Agents regarding the CP or CP members. CROWE commented that he was nervous while being interviewed by the FBI Agents. [X]

The above is being submitted for information and future reference purposes in the event another interview is contemplated with CROWE. [X]

The above information is being appropriately channelized.

SUBJECT: KENSALT

While contacting STEVE SMITH, Southern California Coordinator for the KENNEDY campaign, on 6/11/68, JEAN ISACSON advised that FBI agents had taken several boxes of 3 x 5 index cards from her office, probably on Saturday, 6/8/68. It was Miss ISACSON's opinion that these cards were going to be duplicated and returned to her. She was very desirous of knowing when they were going to be returned as campaign headquarters had intended to acknowledge in writing the cooperation of each of these individuals and that this was the only record which they had of the volunteers. She was advised that the writer would determine when she might expect them back and she would be contacted either by the writer or another representative of the Bureau.

Facts of complaint

C. advised he is resident manager at above address. A tenent there, GILBERT MARTINEZ, works at the Ambassador Hotel, and was there the night of the KENNEDY shooting. He went home in tears, and has been upset ever since.

MARTINEZ has told C. that he was interviewed by the FBI, and he appears to be very upset about that, too. Recently, a salesman went to MARTINEZ's door, and MARTINEZ told C. he is certain it was not a salesman, but rather was an FBI agent in disguise.

Because of this experience with the salesman, MARTINEZ is planning to leave to return to Mexico. He told C. that he would pay 2 weeks rent, and from that C. assumes that he will be here for another 2 weeks.

MARTINEZ showed C. a shotgun he has bought to take to Mexico with him. He also told C. that he plans to drive his 1964 Chevrolet around Mexico City, as a taxi, for the summer Olympics. He is not certain whether he will decide to return to the USA.

C. advised that MARTINEZ resides in apartment 208, at 3030 San Marino, with his wife and children. He was born in 1938.

IRP report of investigation dated 8/23/56, at Amman, concerning ADEL BISHARA SALAMEH GHATTAS SIRHAN, brother of subject.

The Bureau is advised that identical copies of these investigative reports are being furnished to the Bureau through liaison channels by the Office of Security (SY), Department of State, on 6/6/68.

These documents were made available to SA KENNETH J. HASER on 6/6/68, by SA SIDNEY T. TELFORD of SY who obtained them from the Visa Office, Department of State.

Los Angeles will note that the investigative report concerning subject's mother points out that her case includes her sons SARHAN SIRHAN, subject, and his borther MUNIR SIRHAN. Los Angeles will also note that these investigative reports contain background information concerning members of this family. An apparent discrepancy is noted in that the mothers' file states she has four children, all accompanying her whereas the file of BISHARA SIRHAN states that he had six children, none of whom would accompany him. It is believed that this is explained by the difference in dates of these respective reports.

SUBJECT: "JEFF" DAKAR
INFORMATION CONCERNING

On 6/6/68 Mr. AKELEY P. QUIRK telephonically contacted the Los Angeles Office and advised as follows:

He was referred to the writer by FLOYD NORRIS, Attorney, with offices at 714 South Hill Street, a personal acquaintance of SA WHITE's.

He, QUIRK, is an attorney and is associated with the Moriqui Exploration Company at 612 South Flower, Los Angeles, telephone 624-9685.

A friend of his, Dr. JOHN H. DAVIS, M.D., with offices at 10600 Wilshire Boulevard, West Los Angeles, telephone GR 8-0103, residence phone GR 2-6080, has told him of an individual that might be of interest to the FBI in view of the recent assassination of Senator ROBERT F. KENNEDY.

~~Mr.~~ Dr. DAVIS did some hospital work in Algeria a year or two ago through the U.S. State Department. While in Algeria, he became acquainted with a young Arab who later came to the United States for a visit and then returned to Europe. He, QUIRK, does not know this individual's name but he is about 25 years old and he attended some Arab League meetings while in the United States. This individual is technically not an Arab but a member of the Khabil tribe in Algeria. He, QUIRK, understands that this individual may now be employed at the U.S. Embassy in Paris, France. He speaks Arabic, French and English fluently. Mr. QUIRK stated that Dr. DAVIS could furnish more detailed information concerning this person.

Efforts to contact Dr. DAVIS on 6/7/68 were unproductive. On 6/7/68 Dr. DAVIS advised that the individual in question is known to him as "JEFF" DAKAR and is about 24 years of age and a member of the Khabil tribe in Algeria.

entered the United States in January, 1968 in New York and left in about May, 1968 to return to Europe. He was in the United States on a student visa. He believes this visa was obtained in Paris. DAKAR attempted to obtain permission to stay here as a student but was unsuccessful.

DAKAR visited in Dr. DAVIS' home while in Los Angeles and visited the campuses of UCLA and USC while here and also attended meetings of the Arab League. DAKAR was quite disturbed to find a strong anti-American feeling in the Arab League. Dr. DAVIS said DAKAR is very much pro-American.

DAKAR left Los Angeles in the spring of 1968 on a bus tour of the South and departed New York for Europe in May, 1968. He understands that DAKAR is now in Paris working for the American Embassy or a Bechtol (phonetic) Engineering Company.

Dr. DAVIS stated that he has photographs of DAKAR should they be needed.

SUBJECT: KENSALT

Rebutel dated 6/9/68, which, among other things, requested Los Angeles to locate and interview one MAJED GUSSOUS who, according to Bureau files, was President of the Young Arab Student Organization in Pasadena in 1963.

Established source checks, INS, credit, criminal, Pasadena directories, and check of records of Registrar at Pasadena City College failed to develop any identifying information concerning this person.

On 6/10/68, SIMON SHAROU, 462 North Euclid Avenue, Pasadena, and owner of a barber shop at 48 North Lake Avenue, Pasadena, advised that the individual in question was probably named KUSSOUS or something similar, but not GUSSOUS. SHAROU said KUSSOUS attended Pasadena College (Nazarene) in the early 1960s and is believed to have returned to Jordan about two years ago. SHAROU is also from Jordan and knows KUSSOUS there.

At Pasadena College, the records of the Registrar reflected that this person's proper name is MAJED KHALIL QUSSOUS. His date of birth is shown as 8/27/34 to Madaba, Jordan. He attended Pasadena College from 1956 to 1960, graduating in 1960, and, according to information in the file, later attended Los Angeles College of Chiropractics at Glendale, California from 1962 to January 1963. While at Pasadena College, he resided at 1271 Morada Place, according to these records.

There is no information in the file concerning QUSSOUS' whereabouts or activities subsequent to 1963. A check of INS I-53 card on QUSSOUS is presently being made and information received therefrom will be included in this memo at the conclusion.

FROM : SA CHARLES W. BADGLEY

SUBJECT: KENSALT

Re FD-71 of SA GERALD F. MOORE dated 6/9/68, and complaints of one DOROTHY PINCZYKOWSKI.

DOROTHY PINCZYKOWSKI, 7235 Hollywood Boulevard, Hollywood, California, advised she desired to call to the attention of the FBI certain observations of hers which she believed might be pertinent to the FBI's investigation of the assassination of Senator ROBERT F. KENNEDY.

She said from approximately October 1967 until December 1967, she had been employed in a secretarial capacity by the Lou Lesser Enterprises, which had office space at 901 Avenue of the Stars in Century City. She said this company has much money behind it, was involved in land development, and that one of the principle financial backers of the company was one HENRY SALVATORI, who is extremely wealthy.

She stated that while employed by this company she gained the impression that SALVATORI was very much in favor of the candidacy of RONALD REAGAN for president of the U.S., and she also believed he had contributed financially to REAGAN's campaign, although she stated she could not substantiate this information.

She said in doing her work for the firm she had been able to "read between the lines of various communications and believed this company was not completely honest, as she felt they do have secure of certain lands, zoning privilages and the like, may have offered bribes, at times even Cadillacs, in order to secure these gains. She said again she had no proof of this and that it was merely her own impression.

Miss PINCZYKOWSKI advised she is single, is 27 years of age, and that she considers herself to be quite intelligent. She said she had attended San Francisco City College in 1964, but did not graduate, as she quit when she failed a course, stating that the reason for her failure was that the professor did not understand her. She further stated the apartment in which she was now living was rather expensive, at about $175 per month, and that she did not believe she would be able to maintain this apartment beyond her three month lease, but stated she had taken the apartment in the hopes of meeting some eligible males.

She stated she had been fired from her position with the Lou Lesser Enterprises in December 1967, no reason being given, but that it was her belief she had been fired because she understood the situation far better than the other girls, and that the company's officials feared what she might do.

Miss PINCZYKOWSKI discussed at some length the high taxes that the citizens of the State of California have had to pay during the administration of RONALD REAGAN, and that she feels that if REAGAN were elected president that the taxes would be even higher. She also stated she felt, in her own mind, that if REAGAN were elected that much of his policy making would be dictated by financiers such as HENRY SALVATORI of Los Angeles.

Miss PINCZYKOWSKI was questioned as to any information of any kind known to her which might link the Lou Lesser Enterprises, HENRY SALVATORI, or any other company officials, with the KENNEDY assassination, at which time she stated she had no information to furnish relative to this, other than her belief that any individuals contributing money to other political candidates may have had some interest in seeing KENNEDY assassinated.

A review of Los Angeles Office Indices reflects numerous references to HENRY SALVATORI, none of which are of derogatory nature. Reference 134-237, serials 35 and 37 contain information to the effect that in 1961 SALVATORI and his wife

donated to the University of Southern California the sum of $325,000 for the establishment of "a research institution on Communist strategy and propaganda." The reference points out that SALVATORI was a trustee of the University and was founder and chairman of the building of the Western Geophysicial Company, a subsidiary of Litton Industeries, Inc.

Inasmuch as there is no positive factual information furnished by PINCZYKOWSKI relative to the KENNEDY assassination, it is believed no further inquiry in this regard need by pursued.

SUBJECT: KENSALT

Re memorandum by SA ALLEN K. TOLEN dated 6/8/68.

On 6/8/68, JESUS N. SALAZAR, SR., 4264 Alla Road, Los Angeles, California, advised the writers that HECTOR and JESUS SALAZAR, JR. are his twin sons, age 22 years, both of whom reside with him at the above address. SALAZAR stated that to the best of his knowledge, neither of his sons have any information concerning the assasination of Senator ROBERT F. KENNEDY, and neither was present at the Ambassador Hotel, in Los Angeles, on the night of 6/4 - 6/5/68.

JESUS JOSE SALAZAR, JR. advised that he and his brother, HECTOR, had been discussing the assasination of Senator KENNEDY, and he, JESUS, had mentioned to his brother that he had been at the Ambassador Hotel on one occasion, this being in February 1968, when his employer, Volkswagen Pacific, had held a company party there for all their employees. He advised that his brother had apparently misunderstood him and believed that he, JESUS, had been present at the Ambassador Hotel the night of KENNEDY's assasination. He added that he vaguely recalled his brother having mentioned something last night in regard to calling the FBI, but he had not taken his brother's remark seriously and was unaware that he had called the FBI.

JESUS stated that he had been at home in bed at the time of the assasination and definitely was not at the Ambassador Hotel on that night. He was unable to furnish any information whatsoever regarding the assasination. JESUS advised that he is presently employed by Rockwell, Incorporated, 6029 Slauson Avenue, Culver City, California.

HECTOR MANUEL SALAZAR advised that he and his twin brother, JESUS, had been drinking on the night of 6/7 - 6/8/68, and had been discussing the assasination

of Senator ROBERT F. KENNEDY at that time. He stated that his brother had made a remark about having been present at the Ambassador Hotel at the time of the assasination and having witnessed a man and a woman leaving the hotel immediately after the shooting stating, "We shot the Senator." HECTOR stated that he had attempted to have his brother call the FBI, and when he had refused to do so, he, HECTOR, had decided to make the call himself. HECTOR advised that he is presently unemployed.

It was apparent to the writers through interviews with both JESUS JOSE SALAZAR, JR. and HECTOR MANUEL SALAZAR, as well as with their father, that both JESUS and HECTOR had done a considerable amount of drinking the night of 6/7 - 6/8/68, and that both had been drunk at the time that they called the FBI Office in Los Angeles. Neither was able to recall exactly what remarks had been made concerning the assasination, and neither was able to furnish any information of value.
